Subject: 2022-2023 Registration - Opens February 16, 2022

No Reply*

Students and Families,

Registration will take place February 16, 2022, in Navigation classes. As a student without a Navigation course, you will need to access the information using the Southridge Website. The videos and materials provided can be located using the quick link on our Southridge Homepage. Many of our recent presentations can be located near the bottom of the page (WSU and CBC Running Start, Tri-Tech, etc.). You can find everything by clicking here or navigating to <https://southridge.ksd.org/School/Departments/Counseling-Center/Registration>.

The materials/videos provided will answer most, if not all, of your registration questions. Before we schedule any appointments with counselors, we will require a copy of your completed Credit Evaluation Worksheet along with 2-3 specific questions. Once we receive this information, we can schedule a 15-minute appointment with your student's Counselor.

Please remember, there are close to 1700 students trying to register. Do your part to help ensure a smooth registration and ensure your ability to get the class you need by watching all the videos, completing your Credit Evaluation Worksheet, and having your courses selected prior to registration beginning February 16, 2022.

Instructions on how to schedule through PowerSchool will be released on February 16th. In addition, Mrs. Clem will be available during Navigation class (10:23-11:09) on February 16th in the cafeteria to assist anyone who doesn't have a Navigation and would like help with registering.

Thank you,

Mrs. Quackenbush *for Mrs. Clem*
