REGISTRATION TIPS

Once you complete the Credit Evaluation you are ready to plan for next year's classes.

- The Course of Study Handbook is posted on the Southridge website
- Look up classes for more details (pay attention to prerequisites and credit type)
- Keep your Graduation Pathway in mind when choosing classes
- Select 6 classes for each semester
- Choose 3 alternates (English, Science, Elective)
- If planning on attending Tri-Tech or Running Start, select them as your elective alternate
- Challenge yourself by taking advanced level classes
