BUDGET VOTE

AND BOARD OF EDUCATION CANDIDATE ELECTIONS

May 17, 2022 • 8 AM - 9 PM • Elementary Schools

From left to right, top row: Ann Palmer, Stacy O'Connor, Maria Gonzalez-Prescod, Robert Feliciano, Richard Loeschner, Rhonda Young, Simone Holder-Daniel, Wanda Ortiz-Rivera. From left to right, bottom row: Paula Moore, Cindy Ciferri, Julie Burgos, Eileen Felix. Dear community and taxpayers,

A proposed **ZERO percent** (0.0%) tax levy increase is unusual in any year. Doing so two years in a row is unprecedented in the Brentwood School District. The Brentwood Board of Education is pleased to announce that we are doing just that—proposing another ZERO percent (0.0%) tax levy increase!

Each year, the Board of Education establishes goals, one of which has always been to provide the highest-quality education to our students at a minimal cost to the taxpayer. Once again, we have accomplished this goal through diligent fiscal planning and oversight, in partnership with the financial and administrative teams. Most importantly, our tireless efforts to lobby and obtain the Foundation Aid rightfully owed to our school district were successful.

In this newsletter, please find the proposed Brentwood Union Free School District budget for the 2022-2023 school year. Along with deciding upon candidates to serve as Trustees on the Board of Education, residents will be deciding on our Proposition #1 – the annual school budget. Please trust that while developing this budget, careful consideration was given to fulfilling the mission of educating and empowering the students/children of our community.

Please take a moment to review the contents of this newsletter carefully so that you can make an informed decision when you fill out your ballots and cast your vote on Tuesday, May 17, 2022, from 8:00 a.m. to 9:00 p.m. at your local elementary school.

Sincerely,

The Brentwood School District Board of Education

Robert Feliciano, *President* • G. Paula Moore, *First Vice President* • Maria Gonzalez-Prescod, *Second Vice President Trustees:* Julia Burgos • Cynthia Ciferri • Eileen Felix • Simone Holder-Daniel

FREQUENTLY ASKED BUDGET QUESTIONS

WHAT IS A SCHOOL BUDGET?

A school district's annual budget is the best estimate made by the Board of Education and district administrators of the funds needed to support a quality educational program for the upcoming school year.

DOES THE DISTRICT INTEND TO EXCEED THE TAX LEVY CAP?

No. Consequently, the budget requires only a simple majority of total votes cast to be approved.

CAN MY SCHOOL TAX INCREASE AFTER THE DISTRICT HAS ADOPTED A ZERO PERCENT (0.0%) TAX LEVY INCREASE?

Yes. Your school tax may increase due to an increase in your tax rate. The tax levy and tax rate are not the same. The tax levy, which is determined by the school district, is the total amount of money the Town of Islip collects from taxpayers to support the district. The Town of Islip is responsible for providing information which is used to calculate the tax rate.

ARE THERE ANY MULTIYEAR DEALS IN THE BUDGET?

Yes, the district will look to save taxpayer dollars by entering into multiyear deals in the following areas: copiers, software programs, curriculum items, secure socket layer certificates, hardware items, storage containers and mail machine.

2021-2022 BRENTWOOD SCHOOL DISTRICT HIGHLIGHTS

BRENTWOOD HIGH SCHOOL RESEARCH TEAM AWARDED PRESTIGIOUS GRANT FROM LEMELSON-MIT INVENTEAM PROGRAM

The creative minds of Brentwood High School's research team received an impressive \$10,000 grant from the Lemelson-MIT InvenTeam program for the Brentwood team's invention, Marsh M.U.S.C.L.E. The students merged computer science technology with coding to bring this cutting-edge design to life!

ALL-INCLUSIVE PLAYGROUNDS OPENING ACROSS THE DISTRICT

New playgrounds have been popping up at the Brentwood's Freshman Center and each of our elementary and middle schools. Installation of these state-of-the-art, handicap accessible play and fitness spaces are part of Brentwood Schools' roughly \$60 million transformation to ensure quality education for current and future generations of students. Thanks to federal and state Covid-19 emergency funding, they come **at no additional cost to Brentwood taxpayers,** and construction is scheduled for completion by this spring. Many of these playgrounds are specialized playgrounds to promote healthy child development, and provide sensory stimulation and exercise for children ages five to 12 and are wheelchair accessible.

BRENTWOOD'S DYNAMIC DUO MAKES MAJOR SCIENTIFIC STRIDES

Roberto and Ricardo Lopez, twin seniors at Brentwood High School, were recognized for their individual contributions to the science community and were named Regeneron

semifinalists. Ricardo and Roberto are exceptional, well-rounded students, and their hard work, determination and dedication have afforded them high standing in their graduating class.

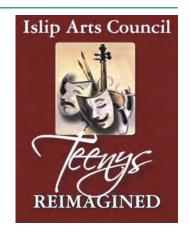

BRENTWOOD ELEMENTARY STUDENTS WORK WITH STATE-OF-THE-ART ROBOT

In the fall, Brentwood elementary students worked with Milo, a next-generation robot. Designed to improve language learning, social cues, and creative play for students with autism or ASD, Milo is just the latest evidence of the ingenuity, talent, and imagination of Brentwood students. Milo will be brought into classrooms to ensure that all students, no matter what, receive a quality education that is best suited to meet their needs.

BRENTWOOD HIGH SCHOOL PARTICIPATES IN DOCUMENTARY CELEBRATING THE ARTS

Brentwood High School students Sofia Alvarez, Sophia Seda and Edgar Romero, who graduated with the class of 2021, were featured performers in this year's Islip Town Council Teenys Revisited 2021 documentary which celebrates the power of the arts. This year's film served as a visual testament to the resilience of young students as they navigated the Covid-19 pandemic and their education.
