Richard Loeschner, Superintendent of Schools

Dear Resident,

The 2020-2021 school year was a year like no other, but once again the spirit and resolve of the Brentwood School District family—the students, teachers, staff and family—persevered. With vaccine distribution ramping up, and infection rates dropping all over the country, there is finally a real light at the end of the tunnel. We will make it to the other side made stronger by the challenges we have overcome together.

In this newsletter, please find the proposed BUFSD budget for the 2021-2022 school year. Along with deciding upon candidates to serve as Trustees on the Board of Education, voters will also be making decisions on our proposition, Proposition #1, the annual school budget. As always, careful consideration was given to fulfilling the mission of educating and empowering the children of our District. With those goals in mind, and while working within our budget constraints, we have proposed Proposition #1 for the voters' consideration. Please take a moment to study the contents of this newsletter and make an informed decision when you fill out your ballots on May 18, 2021, from 8:00 a.m. to 9:00 p.m.

Sincerely,

### The Brentwood School District Board of Education

Robert Feliciano, President G. Paula Moore, First Vice President Maria Gonzalez-Prescod, Second Vice President

Trustees: Julia Burgos • Cynthia Ciferri • Eileen Felix • Simone Holder-Daniel

Superintendent Richard Loeschner

### FREQUENTLY ASKED BUDGET QUESTIONS

### WHAT IS A SCHOOL BUDGET?

A school district's annual budget is the best estimate made by the Board of Education and the administrators of the funds needed to support a quality educational program for the upcoming school year.

### DOES THE DISTRICT INTEND TO EXCEED THE TAX LEVY CAP?

No. Therefore, the budget requires a 50% approval rate in order to be successful.

# HOW WILL THE INCREASE IN STATE AND FEDERAL AID IMPACT THE DISTRICT?

Due to a significant increase in state and federal aids, the District will benefit by restoring student support positions that were recently eliminated and adding positions in the schools and operational areas. In addition, the District will be able to perform much-needed capital projects, such as boiler replacement, ventilation improvements, school renovations and field improvements at minimal cost, if any, for the community.

### ARE THERE ANY MULTIYEAR DEALS IN THE BUDGET?

Yes, the District will look to save taxpayer dollars by entering into multiyear deals in the following areas: copiers, software programs, curriculum items, secure socket layer certificates, hardware items, storage containers and mail machine.

### WHAT IS A CONTINGENCY BUDGET?

A contingency budget is the maximum amount authorized by law that a district can impose on the community if the school budget is voted down. New York State now mandates a limit on the tax levy associated with a contingency budget.

### WHAT ARE THE RESTRICTIONS UNDER A CONTINGENCY BUDGET?

In addition to expenditure caps, the state imposes controls on certain district expenditures, including the elimination of all capital projects and severe restrictions on the use of school facilities by community members. The Board of Education may choose to make reductions or eliminate programs, which could include the summer recreation program, the use of buildings and fields by outside groups, instrumental music and extracurricular activities.

## BRENTWOOD SCHOOL DISTRICT 2020-2021 HIGHLIGHTS

- Two dozen students from Brentwood High School were recently named finalists in the 2020-2021 Distributive Education Clubs of America (DECA) regional competition. DECA is an international program designed to prepare emerging leaders and entrepreneurs attending high schools and colleges around the globe for careers in marketing, finance, hospitality and management. The Brentwood chapter is spearheaded by BHS education teacher Avaril McNamara.
- Three student-musicians from Brentwood High School have earned themselves a prestigious seat in the 2020 New York State School Music Association (NYSSMA) All-State Ensembles. Congratulations for Wilmer Lopez, symphonic band (trumpet); Tiana Morris, soprano 2 (mixed chorus); and Chloe Portillo, jazz soprano voice (vocal jazz). Such an honor is a testament to their extraordinary talent and proficiency in music.
- Javier Garcia, a student at the Brentwood High School Sonderling Center, recently earned the "Commended Students" designation by the National Merit Scholarship Corporation. Students who receive this distinction represent a valuable resource in their classrooms and are recognized for their accomplishments and their pivotal role in their school's academic success.
- Brentwood School District is in the midst of an exciting new project that will provide green, renewable energy for our district for generations. A \$38 million project, which includes LED lighting, window insulation and solar panels, Brentwood's solar initiative is the largest that NYSED has ever approved. The solar panels will provide 6.5 megawatts, Districtwide, when fully installed, which should be able to support all electric usage in the District. The project, which was approved by SED in the spring of 2020, began last summer at East Middle School. So far, installation is progressing on schedule, with window insulation already complete and solar panel installation moving along nicely. Take a drive by the District; you are sure to be impressed!
- More than 60 Brentwood High School students recently volunteered their time to open up lines of communication among elementary parents, teachers, and the community by serving as volunteer translators, interpreting conversations from English into various languages. During a day of scheduled conferences, BHS students reported in-person to the Translating Command Center, located in the high school, and attended the meetings via Microsoft Teams. Spanish was the number one language needed, based on the number of requests for translators. Requests for other languages included Urdu and French Creole.
- North Middle ENL teacher Allison Lynch was selected as one of 40 recipients in New York to receive the State Farm Teacher Assist program grant. Being the extraordinary individual that she is, Ms. Lynch intends to allocate the funds toward her standing desk project, which will create a more appealing learning environment for her students that emphasizes collaboration and focus.

### **BOARD OF EDUCATION NOMINEE BIOS**

#### **JULIA BURGOS**

As a current board member, I have pushed to replace social workers, psychology and guidance counselor positions for our students, helped parents access educational services for their children along with successfully helping to restore funds owed to the District. As a proud resident of Brentwood, I will continue to fight to make

sure that our children get what they need to succeed.

### **CYNTHIA (CALDERON) CIFERRI**

I am currently a schoolboard trustee and a Brentwood homeowner. I have three sons who were educated in Brentwood. I have been an advocate for many students over 25 years. My running mates and I have been instrumental in district improvements, such as Pressbox, districtwide hallway lockers, and the boy's

locker room. We helped our students receive technology during the pandemic. I would love to continue on the BOE. My vision shows how wonderful our schools truly are.

#### **EILEEN FELIX**

I'm a married mother of 4 children, all graduates of Brentwood & a grandchild entering the district. I earned a bachelor's in Legal Studies, worked in finance managing \$8 billion & currently in insurance. I've volunteered with the BYA, Brentwood Residents for Better Schools, Green Machine Parents Association &

Brentwood Puerto Rican Coalition. I've enriched our district by adding AP classes, Senior Walk, Best Buddies Club, I AM Brentwood & the District Breast Cancer Awareness Brunch.

#### **JOSEPH FRITZ**

I have served on the Board. I am a lifelong Brentwood Resident. I am an attorney. I am a Brentwood graduate. I am a lead plaintiff in the lawsuit to oppose the plan to construct 9,000 apartments in Brentwood.

social justice. I am a fulltime visual artist with credits in publishing, television, and film. I am looking to benefit the parents and children of this community through education.

#### **VANESSA LOPEZ**

My name is Vanessa Lopez, graduate of Brentwood's class of 1988. My passion for volunteer work started in 1990 as an E.M.T. for Brentwood Ambulance. I also worked as teacher assistant for BUFSD, and served as PTA secretary. After seeing all different perspectives of education, first

as a mother, second as former employee, and finally as educator, I promise to advocate for Brentwood's parents and children. I'm committed wholeheartedly for the Betterment of my community.
