

EXCELLENCE IS THE POINT

The **mission** of the Stamford Public Schools is to provide an education that cultivates productive habits of mind, body and heart in every student.

Vision: SPS will be a learning organization that continuously improves its effective, innovative and transformational teaching and learning. We will challenge, inspire and prepare all students to be productive contributing members of society.

A Quality Educational Experience for All

At Stamford Public Schools (SPS), we strive to meet the unique needs of each of our students, and prepare them to become lifelong learners, creators and contributing members of their community. We know that students who develop the productive habits to which our mission aspires will positively impact the world around them.

Educating Global Citizens

SPS offers students a learning experience rich in cultural diversity and reflective of the global society in which they will work and live.
