

**Letter of Agreement  
Between  
the Mead School District and  
the Mead Extracurricular Employees Association**

This Letter of Agreement sets forth the following understanding between the Mead Extracurricular Employees Association and Mead School District #354. This agreement is entered into as an addendum to the current collective bargaining agreement and should not be considered precedent setting by either party.

The applicable high school football coaches who are eligible to receive post season pay from either MSHS or MHS will be compensated post season pay if they have qualified for the "play in" game of the 10<sup>th</sup> week of games during the regular football season for the 2020-21 school year.

If either team is not in the "play in" game during the 10<sup>th</sup> week of games, that game or "cross-over" game is considered to be within the regular season. If that is the case, they are not eligible for post season play.

As indicated above, this Letter of Agreement is an addendum to the current CBA. It is not the intent of either party for any aspect of this agreement to be considered precedent setting. All other considerations are part of the contract.
