Good morning,

We do not have a facility for this work to be done here. I am unsure how many miles the bus will be able to travel at this time. This may be something that will have to be scheduled with the winning bidder.

Thank you for your continued support and interest in doing business with the Beaufort County School District.

Ms Yinger -

I am emailing you regarding the bus wrap for the traveling pre-school RFQ.

Does the school district have an inside bay or garage that we can wrap the vehicle in? Or will it need to be brought to our shop. If so, how many miles will the bus be able to travel?

Thanks,

Brett Brand
