

BLACKHAWK READY

SUCCESS BOUND

COLLEGE * CAREER * LIFE

WEST AURORA HIGH SCHOOL

fosters an environment of equity and opportunity where students embrace the curiosity, complexity and joy of learning.

West Aurora High School, a four year comprehensive high school serving Aurora, Montgomery, North Aurora & Sugar Grove, enjoys a long standing history of academic and extra-curricular excellence. While students attend West they will have the opportunity to become Blackhawk Ready: success in college, career and life.

ABOUT US

School District 129 is proud of its rich tradition of excellence, which dates back to 1868 when "West Side High School" first met on the third floor of Old Stone School. In 1870, the first graduating class was comprised of five members. Today, West Aurora High School serves over 3,600 students and ranks in the top 6% of the most diverse public high schools in Illinois, as well as in the top 15% of the best schools for athletes in Illinois. The high school campus occupies an area of nearly a square half-mile and encompasses an athletic stadium, extensive playing fields, and courts. It also includes an arboretum-like collection of more than 200 trees. Academic offerings range from college prep to career education and award-winning extracurricular activities include the arts, twenty-four varsity sports, technology, and cultures. One of the greatest strengths of the school is the success with which it has embraced the diversity of the student body, thereby enriching the surrounding communities.

A HOUSE MODEL

West High has five 'house' teams. Each team has a Dean of students, two counselors, a social worker, psychologist and nurse. These house teams are designed to be the one place for students to access all support services.

Each student's house is determined by their last name.
