*House-A-Vet staffers thank Mia Bonutti for her generous donation before transporting it to its new home.*

The 2010 Travel Trailer that senior Mia Bonutti spent a year refurbishing so it could be used as a home for down-on-their-luck veterans, was recently picked up from its warehouse and transported to its new home in Stuart, Florida. There, it will be used by a non-profit group called House-A-Vet as transitional housing for former servicemen and women.

In a letter to Bonutti, House-A-Vet Director Kevin Donahue wrote: "This will be a big savings to our organization as last year we spent more than \$6,000 in hotel rooms for temporary housing." He added that in the future, the renovated camper will be used "as a tiny home when we realize our goal of a veteran Tiny Home Village serving the Treasure Coast." Congratulations to Mia Bonutti for her extraordinary example of Oxbridge's culture of kindness.

**CLEARED FOR TAKEOFF, SENIOR ROBBIE  
MAYOTTE COMPLETES FIRST SOLO FLIGHT**

Robbie Mayotte, '22, (at left in photo with his flight instructor Shane Burger), recently completed his first solo flight. Piloting a Cessna 172 Skyhawk, Mayotte's flight lasted 45 minutes and reached an altitude of 1,000 feet. His desire to fly was kindled in the ninth grade when he joined Oxbridge's aviation class. "The Oxbridge aviation program," he says, "was beneficial by putting me ahead of the curve by teaching me the practical knowledge beforehand, and even helping me perfect my landings and maneuvers." He has been accepted to Embry-Riddle Aeronautical University in Daytona Beach where he plans to major in Aeronautical Science and train as pilot.

### **SUBMIT YOUR ATHLETIC INTEREST FORM**

Oxbridge encourages all students to participate in athletics and offers a well-rounded program that is an integral part of the educational experience at Oxbridge. Nearly 70 percent of students play a sport. Please complete this [athletic interest form](#) to let us know if you are interested in trying out for any of our school's athletic teams. Oxbridge fields 22 sports teams, including unique sports like equestrian and sailing. If

you are not interested in playing, but have an interest in sports, there are many other ways to get involved with our athletic program. For example, consider becoming a team manager, videographer, announcer, statistician, or suggest another important support role.
