Birthdays, Holidays & Special Events

Classroom teachers recognize birthdays and celebrate special events/activities. Food items/treats for the entire class are not permitted. In addition, parents are asked to refrain from sending in balloons, flowers, etc. These items are not permitted on the school bus and disrupt the learning environment. Cards and invitations may not be distributed at school unless every girl/boy in the class receives one. Consistency in

recognizing these special events is essential to ensure that every child feels honored and valued.

Change of Address and/or Telephone Numbers

Any address or telephone number change, whether it is for home or work, needs to be submitted to the school office. It is imperative that if you move at any time during the school year you will need to contact the school with updated lease information as well as home telephone, work, emergency cell phone. If we should need to get in touch with you about your child, this information is vital.
