Items Dropped Off at Office

Homework, house keys, lunches, etc. being dropped off for students must be left at the front office and students will be called from their classroom to pick up the items. Visitors may not go to the room to make the delivery. This is for the safety of all students and staff as well as to not cause interruption to instructional time in the classroom. Thank you for your cooperation.

Visitors to School

The Board welcomes the active interest of parents and citizens in their public schools, and invites the community to visit at any time.

However, since schools are a place of work and learning and must be secure, certain limits must be set to visits. The building principal is responsible for all

persons in the building and on the grounds. For these reasons, the following policy applies to visitors to the school:

- Anyone who is not a regular staff member or student of the school will be termed a "visitor".
- Any visitor to the school must report to the office of the principal upon arrival at the school.
- Parents or citizens who wish to observe a classroom while school is in session are expected to arrange such visits in advance with the teacher and inform the principal.
- Teachers should not be expected to take class time to discuss individual matters with visitors.
- The principal has final authority on permitting/ approving school visitations.

Children who are not enrolled at the school **are not permitted** to visit classrooms during regular school hours. Due to security reasons we ask that parents not

enter a classroom once students have been dismissed for the day unless they have an appointment or are accompanied by a school employee. Parents should always make arrangements with the teacher prior to a visit.
