### **Pocatello/Chubbuck School District's VOICE Program Holds Food Drive**

**Pocatello** – Pocatello/Chubbuck School District VOICE (Vocational Opportunities for Independent Community-based Education) Program students, in partnership with the District's Community Resource Worker for secondary schools, will hold a food drive. The food collected from the drive will help stock food pantries in area high schools.

The drive will be held Wednesday, January 31st from 10 a.m. to 12 noon at Fred Meyer on Yellowstone in Pocatello. The food drive is focusing on kid friendly foods or foods that children can easily prepare by themselves. However, all food donations are welcome and appreciated.

Students, their advisors and the community resource worker will be at the entrance to Fred Meyer with a list of suggested food items for shoppers who are unsure of what works best for students who need this support.
