School District No. 25 has a New Used Ambulance Thanks to Bannock County

Pocatello - Please join School District No. 25 officials, teachers, and students on **Tuesday, November 28, 2017 at 2:30 p.m. at Pocatello High School** (corner of South Main and East Fremont Streets) in celebration of the receipt of a 1996 ambulance for use in its First Responder Program which includes emergency medical technician training. The ambulance, which is in good working condition, provides an opportunity to simulate treating injured patients in a realistic environment. With the education and skills acquired upon course completion, students will be enabled to obtain a nationally recognized Basic EMT certification which will allow them to affiliate with a licensed Idaho EMS Agency. This first of its kind donation is made possible by the Bannock County Ambulance District and the Bannock County Commissioners.
