POCATELLO/CHUBBUCK SCHOOL DISTRICT DEVELOPS PLAN AND SETS TIMELINE FOR COMPLETION OF BOUNDARY COMMITTEE WORK

Pocatello – The Pocatello/Chubbuck School District Board of Trustees tabled their decision on high school boundary revision during their January 25th special meeting. They ask District administration to get organized public input on the proposals.

District administration has developed a plan and a timeline to finalize recommendations to the Board.

High School Boundary Advisory Focus Group Plan

The plan includes developing 3 focus groups with each consisting of

- 2 student government representatives
- 2 public officials or designees
- 2 business representatives
- 6 parents/patrons, randomly selected, with 3 from those who commented during public hearings and 3 who have at least two students in district schools (one in high school and one in middle school) who did not participate in public hearings
- 1 Lead/Facilitator from Boundary Committee
- 3-4 boundary committee members to provide information and assistance.

Proposed timeline and Advisory Focus Group meeting agendas, times and location and other supporting documents will be posted on the District's Website at www.sd25.us under the Secondary Boundary Committee button. Advisory Focus Group meetings will be open for public observation.
