

# Class of 2022 Important Senior Information

Senior Portraits must be submitted by **Sunday, October 31st**

## How do I turn in my senior picture?

- Senior portraits can be submitted by you or by your photographer [using this link](#).
- Make sure to click on **“Upload Your Portrait”** when submitting your photo.
- Please make sure that submitted photos are sent as FULL RESOLUTION.
- Screenshots and photos downloaded from Facebook/Instagram/Snapchat or sent over text message will not print well in the yearbook and **should not be submitted**.

**What can I wear in my senior picture?** Your senior portrait outfit should be school appropriate

**What about props?** Props are OK if they are school appropriate.

**What else?** Photos must be in color and should not have any filters or effects applied to them.

**What happens if I don't turn in a senior picture?** We'll use your school photo if you had one taken. If you didn't take a school photo, then you will not be in the senior section of the yearbook.

**I want to make sure my name is spelled right and that my photo will look good in the yearbook.**

By the end of November we will print out a poster that includes every senior picture that will be in the yearbook. It is your responsibility to check and make sure that your photo is there and that your name is spelled correctly. This poster will be hanging up outside of room E203.
