

Adult and Continuing Education

Stamford Adult & Continuing Education is committed to student success and community enrichment by providing a myriad of educational, enrichment, and support service opportunities that support the heart, mind & body of the greater Stamford community.

What We Offer

Stamford Adult Education offers FREE mandated education programs and services to the greater Stamford, Darien, New Canaan, Wilton, Weston, Westport, and Norwalk communities. Through exemplary instruction and support services, we maximize student access, learning and success. Programs provide real world application to help students connect learning to potential career pathway opportunities. We offer flexible hours featuring certified teachers who address soft skills, communication skills & technology skills.
