## Widening Advancements for Youth

### Words from the Director - James Middleditch

---

Hello Parents and Students!

I hope everyone is looking forward to a Magnificent May. We have a few announcements for you this month. First, NWEA MAP Growth Testing. This is an online test that we require all students take. This helps us check on how our students grow in reading and mathematics throughout the year.

Second, we have opened the re-enrollment applications for the 2022-23 school year. You will need to login and complete the annual documents that are required for re-enrollment on our School Mint Enrollment website. If you do not remember your login information, please contact your student's team leader or the office.

Lastly, we are always looking for student stories to spotlight. If your students are interested, please let us know. If they want to earn credit for telling their story we recommend they complete the "Tell It Your WAY" project. Here is a link to the project: [https://centric.school/curric2013/cur\\_detail.php?c=12468](https://centric.school/curric2013/cur_detail.php?c=12468). If you have any questions, concerns, or feedback, please feel free to call us at 313-638-2716 or email us at [enroll@wayprogram.net](mailto:enroll@wayprogram.net).

I look forward to having an amazing end to the 2021-22 school year!

### Credits

Summer will soon be here! Researchers wishing to participate in our June graduation ceremony will need to have their credits completed by May 27. 1 on 1 tutoring is an extremely helpful way to help your researcher stay on track. Morning, afternoon, and evening appointments are available. Please have researchers contact Joy Jurado or Stacy Long to set this up.

Researchers are expected to earn .50 credit in June and .25 credit in both July and August. Tutoring and your researcher's mentors will be available during this time. Virtual Learning Classes will end June 24, so please encourage your researcher to begin working with their teachers to complete any previously assigned projects.

- Stacy long

## WAY Students

Congratulations Class of 2022!!

We have set our first ever in-person graduation ceremony. The Ceremony will be taking place from 1:30-2:30 Saturday June 18th at the Michigan Room in the Gannon Building on Lansing Community College's campus. We are going to request that participating graduates show up at 12:30 for a rehearsal before the ceremony. If you have a student graduating please make sure they complete their graduation application and let us know their plans for graduation and cap and gown size. We will be sending out a more formal invitation as we get closer to the date. We are currently allowing up to 6 guests per graduate. We look forward to celebrating with you in June!!!

## WAY Parents

Hello, Parents and Guardians!

We have already had our parent meeting for April and the link for the recording and the presentation have been sent out. If you have not received those, please let me know by emailing me at [kimberly.iorillo@wayprogram.net](mailto:kimberly.iorillo@wayprogram.net). We will have our next parent meeting for May on May 17th at 7pm. If you would like to review how to log in to the Centric parent portal to check on your student(s) progress, please email me at the email above and I can send you the link and login information. We encourage all parents to familiarize themselves with the school website and how it all works. You also have full access to review all projects that your student is working on and all projects available in our system.

## College and Career Corner

Happy Spring

The College Decision Day Presentation has been placed on the home page of Centric in the announcements section. The Virtual College Tour for this month will be on May 20th at 1pm. We will be touring WCCCD. This is a community college with 4 different locations in metro Detroit. It has a great nursing program, and it's low cost compared to a university, is great for students and parents worried about costs. This month our Resume Workshop will be on May 27th @ 1pm. If you have any questions, please do not hesitate to contact me at [jackee.smith@wayprogram.net](mailto:jackee.smith@wayprogram.net)
