

COLLEGE LEVEL READINESS AT THE CAREER CENTER!

HEALTH SCIENCE I & II

(Certified Nursing Assistant Program)

Health Science I content includes skills common to specific health career topics such as patient nursing care, dental care, animal care, medical laboratory, public health, an introduction to health care systems, anatomy, physiology, and medical terminology.

Health Science II is an extended laboratory experience at the student's choice of clinical site designed to provide students the opportunity to assume the role of nurse assistant and practice technical skills learned in the classroom.
