

## PIKE TOWNSHIP SCHOOLS

*Dear Neighbor,*

**Welcome to MSD of Pike Township.** The children who attend school in Pike Township are incredibly bright and amazingly talented. With a vast array of programs designed to educate students at all learning levels, numerous artistic and athletic outlets, and an emphasis on nurturing the whole child, our district is committed to ensuring that every child realizes his or her utmost potential on their educational journey.

To help you get started, we wanted to pass along some helpful information as your student starts their experience in Pike Township schools.

1. **Google** - All Pike students have a Google account created for them when they are enrolled. When accessing different programs, you may be prompted to sign in. If there is a "Sign in with Google" button, use this along with the Pike e-mail address and password to quickly sign in.
2. **Clever** - Clever is a portal where students login one time to access several websites or programs that are approved by Pike. Common websites include Canvas, HMH Ed, Think Central, Edmentum, and Flocabulary. Click [here](#) for Clever.
3. **Canvas** - Canvas is the learning management system that Pike uses for digital learning as well as in-person activities. Teachers post lessons, assignments, tests/quizzes, and more to engage students in learning. To access Canvas, go to : <https://pike.instructure.com/login/ldap>. More information on Canvas can be found on the [Family Support for Digital Learning website](#), under Guides.
4. **Zoom** - During times of virtual or remote instruction, students will participate in live classes via Zoom. The links to these live meetings can be found in Canvas in each of your student's classes. Zoom is the one program where the "Sign in with Google" button will NOT work.
5. **Skyward** - Skyward is the student information system that is used by Pike Township to track your student's grades, attendance, class schedule, bus information, and demographic information. [Skyward Family Access](#)
6. **Lunch Accounts** - You can add money to your student's lunch account using [My School Bucks](#). You can view the [School Menus](#) here.
7. **Free and Reduced Meal Application** - Students can receive nutritious school meals for free or at a reduced price. There is an eligibility determination. To see if you are eligible, apply by following the directions below. **A new application must be completed each school year.**
  - o Visit <http://msdpike.schoollunchapp.com>
  - o Follow the easy to use, step-by-step screens to enter student and household information
  - o Click "Apply" to submit your application for meal benefits!
  - o *It's That Easy!*
8. **Transportation** - [Click here to access your child's bus information using Skyward Family Access](#). If you do not have your Skyward Family Access account information, please contact your child's school.  
Follow these steps to view your child's bus information.
  1. [Log in with your Skyward Family Access username and also password.](#)
  2. Select the Bus tab to display bus information.

You can contact Transportation at 317-280-2450 between 8 AM - 4 PM with any questions. Information on Here Comes the Bus: A school bus tracking app for parents, click [here](#).

9. **Textbook Rentals** - Parents/guardians may complete an application for Federal assistance which covers the expense of textbooks (this is the same free/reduced form for meals). Consumable fees are still to be paid by the parent/guardian. Contact your school for specific questions. To pay these fees online you can go to: [Certified Payments](#)
  
10. **Tech Helpline** - If you are having technology issues when learning from home, please contact the Navigation Specialists or the Tech Hotline.
