

Greetings,

My name is Mr. Bidwell and I am your OLL PE Teacher for the 2020-2021 school year. Physical activity is critical to the development and maintenance of good health. The goal of the courses is to develop physically educated individuals who have the knowledge, skills, and confidence to enjoy a lifetime of healthful physical activity.

Google Classroom is the OLL platform used for students enrolled in grades K-8.

Students currently enrolled should have received an invitation to join the course from gbidwell@kcsd.k12.pa.us (George Bidwell) on Thursday, September 10, 2020 or Friday, September 11, 2020. Please open this email and click join for access to the course. If you did not receive an email, please contact me as soon as possible.

To access your Google Classroom in the future – you must be logged into your KCS D Gmail account/google suite, select the waffle grid on the upper right hand side of the screen (9 dots) that is located next to the circle with your initial in, click on the dots, select Google Classroom and select your OLL PE Google Classroom

Schoology is the OLL platform used for students enrolled in grades 9-12.

Students can access Schoology by using the following link:

<https://kcsd.schoology.com/login?&school=301071674>. You may contact me or submit a Technology Help Desk ticket if you experience any issues with logging into Schoology. The Technology Help desk link is:

<https://helpdesk.kcsd.k12.pa.us/support/>.

In order to access any material/assignment/quiz/etc. that is a Google doc, Google form, Google slide, Google sheet, etc., the student must be logged into their KCS D Gmail account and Schoology or Google Classroom in the same web browser. Additional personal email addresses linked to your device should be logged out to prevent any issues that may occur with accessing the aforementioned.

Please don't hesitate to contact me with any questions you may have.

Sincerely,

Mr. Bidwell
