

Smart Futures Login Directions for STUDENTS

There are 2 options for students to log in to Smart Futures:

1. Go to www.smartfutures.org
 - There is a button on the Smart Futures homepage to “sign in with Google”
 - This will allow students to login with their KCSD gmail username/password

2. Students can login through Clever.
 - Have them go to the KCSD homepage and click on the link for Clever
 - To login to Clever, students will use their Powerschool username and password
 - From there, they will click on the SmartFutures app and be automatically connected

Getting Started:

1. If this is the first time logging in, students will be prompted to answer questions about their future plans
2. They'll then be prompted to choose a profile picture
3. Next they will need to complete their profile information
4. Finally, they will choose "Begin your future ready activities"
5. Students should complete the required activities.
6. To check your progress, please contact your school counselor
