Meals for the Community

To: Buena Park School District Community
From: Katrina Butler, Director of Nutrition Services
Date: September 16, 2020
Subject: Meals for the Community

The Buena Park School District (BPSD) out of an abundance of caution continues to have distance learning due to COVID-19. Child Nutrition Services will continue to be a resource to all students and families with children 18 years and younger, Monday through Friday.

Meals will continue to be obtained through a drive-through service at designated locations to allow maximum efficiency and safety. For students and families without vehicle transportation, a walk-up “Grab and Go” pick up method will be available. **Children must be physically present or the parent or guardian must provide an identification for their child 18 and under.** All meals must be taken and consumed off site; congregating at any of the locations is not permitted.

Face coverings are required for when visiting the locations below.

We look forward to see you!

Service Period
12:20 pm – 1:20 pm
