2022-2023**

**Currently Accepting
K-3 Students**

**Corey's Multiage
Program Promotes:**

- Literacy
- Cognitively Guided Instruction in Math (CGI Math)
- Visual and Performing Arts
- Service Learning

What is MULTI-AGE PROGRAM?

Multiage classrooms consist of mixed-age students who learn and grow together within the same classroom for multiple school years.

The program is designed to empower our students in a highly collaborative, cooperative, innovative, and student-led learning environment.

Students develop essential academic, artistic, social, and emotional skills with strong leadership.
