

## Early Learning Parent Advisory Council (PAC)

### What PAC Does

PAC works to support the school district's early learning programs and services to families. PAC discusses program policy, program services and parents' perspectives on ways to improve quality and accessibility. PAC's main purpose is to:

- Assist in supporting the early learning programs
- Serve as a staff resource
- Share feedback from parents
- Create a space for new ideas
- Advocate in our community
- Raise money for scholarships
- Plan and host fundraising events

Parents are invited to join as a parent member or in a council position. For a list of current openings, please contact us!

### How to Get Involved in PAC

There are many ways you can support PAC efforts and help us build a strong community for our parents and families. Here are a few to get you started:

- **Come to a PAC meeting:** Parents are welcome any time of the year to see what it's like. We'd love to meet you!
- **Connect with us on Social Media:** Stay in the know about PAC meetings, fundraising events, volunteer needs and upcoming events. Please join the conversation and share your own ideas with the group!
- **Attend an event:** TBD
- **Volunteer to help at an event:** We're always looking for volunteers. Let us know if you'd like to help.
- **Participate in school fundraisers:** Throughout the year we'll let you know when there is a seasonal fundraiser going on via your classrooms, social media, and/or early Learning newsletters.
