Students

SUMMER LIT CAMP

July 18-Aug 4

**Classes run M - Th, 8:30 - 12:30
University Hills Elementary
600 Croydon Street, Rochester Hills**

Welcome to Summer Lit Camp! We are excited to bring a summer learning experience where children will be engaged in literacy and math (with some play too!) Lit Camp is a breakthrough summer literacy and math program that combines innovative, research-based reading and writing lessons in an engaging and interactive summer camp approach. It integrates all the key ways children learn to read, write, speak and listen. Our program runs for three weeks. Children will register by the grade most recently completed and will be taught according to their capabilities by certified Rochester Community Schools teachers.
