1.1 Preamble

1.11 This contractual agreement (hereinafter referred to as “the agreement”) is entered into this 1st day of July 2022, by and between the Board of Education of School District 204, in the State of Illinois (hereinafter referred to as “the Board”) and the Joliet Township High Schools Council 204, American Federation of Teachers, Local 604, American Federation of Teachers (hereinafter referred to as “Council 204”). Members of the bargaining unit hereinafter shall be referred to as “teachers.”

1.12 The Board and Council 204 recognize that Council 204 represents professional teachers and that both parties have as their primary interests the welfare of students, quality education, and professional status. Moreover, the Board and Council 204 recognize that the Board shall retain whatever rights and authority are necessary for it effectively to carry out its responsibilities delegated to it by the laws of the State of Illinois.

1.13 The Board and Council 204 intend that this Agreement provide an effective and continuing means of communication between the parties as well as to provide for employment and working conditions, salary and fringe benefits, and other matters of mutual concern. Moreover, any action on salaries, benefits, or working conditions covered in this Agreement and/or the implementation of this Agreement will be made in accordance with the provisions of this Agreement.

1.14 The Board and Council 204 further recognize that this Agreement supersedes any and all prior agreements, practices, and policies concerning subjects contained herein unless a teacher has a prior written agreement with the Board exempting him from any provision stated herein.

1.15 If any provision of this Agreement is subsequently declared by the proper legislative or judicial authority to be unlawful, unenforceable, or not in accordance with the minimum standards of the School code, all other provisions of this agreement shall remain in force and effect for the duration of the Agreement.

1.2 Recognition

1.21 The Board recognizes Council 204 as the sole and exclusive bargaining representative with respect to salaries, extra-pay, fringe benefits, hours, working conditions, and other conditions of employment for all full-time and part-time certificated teachers, counselors, psychologists/counselors, deans, certified school nurses, social workers, speech therapists, degreed nurses, and library/media specialists. Persons not mentioned above are excluded from the bargaining unit.

1.22 For those teachers covered by this Agreement who have assignments, which are administrative or supervisory in nature, Council 204 agrees that the Board will retain the right to define duties and responsibilities and to select or promote and to suspend, demote, discharge, or take other disciplinary action with regard to the supervisory or administrative status of such teacher.

1.3 Non-Discrimination

The Board and Council 204 agree to continue their policies of not discriminating in terms of employment or membership against any teacher on the basis of race, religion, ethnicity, gender, disability, marital status, sexual orientation, age, or membership in Council 204. Teachers shall have the right to join or not to join teacher organizations without restraint.

1.4 No-Strike Provision

Recognizing that proper means are made available by this Agreement for the resolution of teachers' grievances and/or complaints and that other procedures are provided by statute and judicial process for such resolution, neither Council 204 nor the teachers covered by this Agreement shall instigate, promote, sponsor, engage in, or condone any strikes, concerted stoppages of work, or any other intentional interruptions of educational duties for the duration of this Agreement. It is understood and agreed that any teacher violating this provision of the Agreement shall be subject to disciplinary action by the Board to the extent of and including dismissal. The Board agrees that it will neither conduct nor condone any lockout of teachers because of labor dispute for the duration of this Agreement.

1.5 Duration and Termination

1.51 This Agreement shall constitute the entire agreement between the parties and concludes collective bargaining for the term beginning July 1, 2022, through June 30, 2026. The parties herein agree to the following conditions:

1.511 Except as noted herein, this Agreement shall remain in effect through June 30, 2026. No later than January 1, 2026, the parties shall convene negotiations for the 2026-2027 school year.

1.512 Upon receipt of such notice, negotiating shall commence as of March 1 following the giving of notice and shall continue until a new or revised Agreement is reached.

1.513 The Agreement may be reopened for negotiations at any time by mutual consent.

SECTION 2. WORKING CONDITIONS

2.11 Alternative Educational Arrangements

If alternative educational arrangements initiated by either party require that a section(s) of the Agreement be waived, such waiver shall be proposed in the following manner:

- a. The proposed waiver must be in writing, specify the provision waived, the nature

- and duration of the waiver, and the employees affected by the waiver;
- b. The proposed waiver shall be first presented to the School Improvement Team in the building(s) affected by the proposed waiver for review and discussion;
 - c. The proposed waiver shall then be presented to the District Leadership Team or the Curriculum Coordinating Committee, as relevant, for review and discussion;
 - d. The proposed waiver shall then be presented to the Union and the Board of Education. For a proposed waiver to take effect, it must be approved by both the Board and the Union.
 - e. An approved waiver shall only apply to the teachers who requested it. If other teachers wish to be included in the waiver, they must follow the approval process as set forth above.
 - f. If at any stage of the process any party has objections to the proposed waiver, such objections, if reduced to writing by the objecting party, shall be attached to the proposed waiver and remain attached thereto until the waiver is either approved by both parties or denied by either party.

2.12 School Calendar

The annual school calendar shall consist of a minimum of one hundred and eighty (180) working days, of which one hundred and seventy-six (176) shall be actual pupil attendance days. Up to four (4) days shall be officially declared full-day institutes.

In addition, five (5) days shall be designated as emergency/days, which will be used only in lieu of days lost because of emergency school closing.

The officers of Council 204 shall receive a copy of the tentative calendar at the time it is prepared for review and recommendation prior to the time the calendar is presented for Board action. The officers will present the Superintendent and the Board with any recommendations and/or objections in writing. The Board shall not vote on the school calendar until they have received a response from the officers, provided that the officers' response is received by the Board prior to the date of the scheduled Board action. Furthermore, the Board will attempt to coordinate the schedule with the District's feeder schools. The Administration should attempt to develop a multi-year calendar for review and adoption by the Board. Any change in minimum requirements for school calendars set by the Illinois legislature shall be incorporated at the effective date designated.

In such an event, the following procedures will be followed:

1. The Administration will first seek qualified volunteers to fill such a schedule.
2. If no qualified volunteers are available, the least senior qualified teacher will be assigned to such schedule.
3. In no event will a teacher be involuntarily assigned to such a schedule for more than two (2) semesters within two (2) consecutive school years.

Those teachers who are not reflected on the above schedules (i.e. those beyond the last step in lanes C through G) shall receive a salary increase of no less than \$1,000.

3.11 The Board shall deduct from and shall remit for each teacher to an amount equal to the required amount due such teacher as set forth for all compensation to be paid to each teacher as expressed herein and shall apply said deduction to the teacher’s required contribution to the Illinois Downstate Teachers’ Retirement System.

The amount of gross compensation due each teacher shall be the sum specified in this Agreement less the amount equal to the required amount due by the Board, paid in installments as otherwise provided herein provided the Board shall deduct there from all other sums as required by law or as authorized by the teacher pursuant to this Agreement.

It is the intention of the parties to qualify these payments picked up and paid by the Board on the teachers' behalf as employer payments pursuant to Section 414(h) of the Internal Revenue Code of 1954, as amended. The teachers shall have no right or claim to the funds so remitted except as the funds may subsequently become available upon retirement or resignation from the State of Illinois Downstate Teachers' Retirement System.

The Board does not warrant that the deductions made in the amounts specified herein by the Board for the teachers are excludable from the teachers' gross compensation for federal and state income tax purposes and as such, Council 204 of the American Federation of Teachers and each individual teacher shall and do hereby indemnify and hold harmless the Board of Education, its members, its agents, and its employees from any and all claims, demands, actions, complaints, suits, assessments, and deficiencies or other liability by reason of the payments of contributions to the Downstate Teachers' Retirement System pursuant to the provisions of this section for purposes of determining the teacher's taxable compensation for federal and state income tax purposes.

3.12 Pay Periods

Salaries shall be paid to teachers on a twenty-one (21) or twenty-six (26) pay period basis, whichever the teacher chooses in writing.

3.13 Council 204 Dues Deduction

Upon receipt of a lawfully executed, written authorization from a teacher, the Board agrees to deduct Council 204 dues in regular installments for the term of the Agreement or until such authorization is revoked, either in accordance with its terms or by the teacher in writing. Such deductions shall be remitted promptly to the official designated in writing by Council 204 who agrees to receive such deductions. Council 204 agrees to refund to the Board or the teachers any dues which may have been erroneously deducted or remitted to Council 204.

3.14 Sick Leave Accounting

Paychecks shall give an accounting of sick leave used and sick leave remaining.

3.15 Other Services

Tax-sheltered annuity, bond, credit union, and savings deductions shall be available to those staff members who choose to participate.

3.2 Placement and Advancement on the Salary Schedule

3.21 Initial Employment Experience Credit

At the time of initial employment, credit may be given for a maximum of nine (9) years of teaching and/or military experience. The teaching experience shall have been in accredited secondary schools and shall be credited on the basis of one (1) year of credit for each year of experience. Not more than two (2) years' credit shall be granted for military service, which shall be on the basis of one (1) year of credit for each year of service or major fraction thereof. Exceptions to this credit may be made upon special recommendations of the Superintendent subject to the approval of the Board.

3.22 Verification of Records

All teaching or military experience and all college-level course work used for placement on the salary schedule shall be verified through records, transcripts, and letters from former employers. These documents shall be placed on file in the Superintendent's Office.

3.23 Evaluation of Credits

All evaluations and approval of credits are to be made by the Office of the Superintendent.

3.24 Salary Schedule Movement

Annually, a teacher shall not advance more than one step on the relevant salary schedule.

3.241 To affect placement on the salary schedule for the first semester, an official transcript documenting all credits earned must be filed with the Superintendent at least one week prior to the October meeting of the Board. To affect placement on the salary schedule for the second semester, an official transcript documenting all credits earned must be filed with the Superintendent at least one week prior to the February meeting of the Board.

3.25 Other Placement and Advancement Conditions

3.251 For teachers employed prior to July 1, 1999, credit may be granted toward placement on Column D (Master's +15), Column E (Master's +30) or Column F (Master's +45), and Column G (Master's Degree +60/Doctor's Degree) for graduate courses taken prior to receiving the Master's Degree if these courses were not applied toward the degree. Teachers employed after July 1, 1999, will only receive credit toward advancement on the salary schedule for graduate courses taken after they attained their last highest degree.

3.252 Undergraduate credit subsequent to the Bachelor's Degree may be applied toward placement on Columns B (Bachelor's +15) through Column G (Master's +60/Doctor's Degree) with three (3) undergraduate semester hours equal to two (2) graduate semester hours.

3.253 Internal University

In order for professional development to be credible and meaningful, it requires a commitment to and an investment in the program on the part of the teacher and the Board. To this end, Joliet Township High School District 204 shall establish an Internal University (“JIU”) to provide teachers with meaningful, educational experiences germane to their professional assignments, and to create opportunities for teacher advancement on the salary schedule. Selected professional experiences may include courses from an accredited institution of higher education, courses and experiences developed by the District and approved by the Board of Education, and individual, professional experiences suggested by a teacher or group of teachers and approved by the Board of Education. All credit awarded for salary schedule advancement must be approved by the Board and relevant to the teacher(s) professional assignment(s).

The JIU will be established by the Assistant Superintendent, utilizing the District Staff Development Committee. This committee will develop a catalog of offerings which may be taken for JIU credit on the salary schedule. JIU offerings will be published in advance, and participation shall be voluntary. JIU offerings will be made available only beyond the regular school day or school year at no charge to participants, unless the course is taken for tuition credit through an accredited institution of higher education for the purpose of degree work, at which time teachers who participate shall pay the tuition amount established by the offering institution.

Participating teachers will be granted one (1) JIU credit for each fifteen (15) hours of contact time included in the courses and programs offered through JIU. For purposes of this section, the term “contact time” means the time directly involved in attending and successfully completing the specific activity, class or program. For purposes of advancement on the salary schedule, each JIU credit earned by a teacher shall count as one (1) semester hour of credit on the salary schedule for purposes of horizontal advancement. Only nine (9) hours of JIU credit may be used annually for horizontal lane movement on the salary schedule. However, JIU credit cannot be used for attaining a Master’s or Doctor’s Degree, but may be applied to horizontal movement beyond a Master’s Degree, so long as the credit claimed was not applied toward the attainment of the Master’s Degree and the credit shall not be given until the teacher has had the Master’s Degree for one full school year. College or university courses offered through JIU are not subject to this nine (9) hour credit limitation.

Staff members who volunteer and are approved to be instructors in approved JIU activities may elect to receive either salary schedule credit or compensation for each JIU activity taught for the first time. The twelve (12) month period in which the twelve (12) weeks of leave may be taken will be calculated under a rolling twelve (12) month period measured backward from the date an employee uses any FMLA leave. Under this method, each time an employee takes FMLA leave, the remaining leave entitlement would be any balance of the twelve (12) weeks, which has not been used during the immediately preceding twelve (12) months.
- D. Employees taking FMLA leave to care for a child, spouse, parent, employee's household or the employee's own serious health condition may use accrued paid sick leave days concurrently with the running of the period of FMLA leave. - E. When the need for FMLA leave is due to unforeseen circumstances and advance notice is not practicable, the employee will provide notice of the need for such leave as soon as practicable. Whenever feasible, the employee will provide the Superintendent with at least thirty (30) calendar days advance notice of intent to return from the leave.
- F. FMLA leaves will be governed by the terms of the Act and the regulations issued by the U.S. Department of Labor, subject to the terms of this Agreement. In the event the Family and Medical Leave Act is repealed, then this Section of this Article will no longer be in force and effect.

5.3 Required Contracts

All new teachers hired for the 1996-97 school year and thereafter may, at the option of the Board of Education, be required to assume an extra-pay assignment for such salary stipend as is contained within this Contractual Agreement or as otherwise may be established by the Board. The condition of employment may be exercised by the Board of Education for any or all of the first five (5) years of employment, and consideration will be given to assignments consistent with the individual's qualifications and areas of interest.

INTRODUCTION TO MEMORANDA AND LETTERS OF UNDERSTANDING

1. The attached memoranda are for informational purposes only. They are clearly not part of the Agreement between the parties, but merely serve to provide a common understanding of part of the history of the collective bargaining process between the parties.
2. The attached memoranda of understanding were accomplished during past periods of negotiations which led to negotiated Agreements, with the understanding that the memoranda would not be in the Agreement. However, the parties agreed to include the memoranda following the last official page of the Agreement only as a convenience to the Union and the Board, with the original intent remaining permanent and that these memoranda are not a part of the negotiated Agreement and as such, the substance of these memoranda are not subject to the contractual grievance process.
3. It is not the intent, nor is it the representation of the parties, that the attached memoranda represent each and all of the memoranda of understanding reached during the history of the relationship between the parties.

ADVISOR-ADVISEE PROGRAM REVIEW

The Board and the Union acknowledge that issues requiring attention have arisen regarding the implementation of the District “Advisor-Advisee Program” (“Program”). In order to address these issues, the Board and Union will convene a District Program Review Committee.

This committee will be composed of eight (8) teachers jointly selected by the Union President and the Superintendent. These teachers will reflect all levels involved in the implementation of the Program. Additional members of the Committee will include the Advisor-Advisee Program Coordinator Superintendent Designee, one (1) building administrator from each campus, and two (2) Union Executive Board members appointed by the Union President or designee. The Superintendent and Union President will serve as ex-officio members of the Committee. The Advisor-Advisee Program Coordinator Superintendent Designee and one (1) Union Officer will serve as moderators of the Committee and set the agenda for Committee meetings.

The Committee will meet outside of the regular school day and teacher members will be paid at the contracted rate as per Section 3.34 (Employment for additional time) for time spent in committee meetings. The Committee will meet at least twice annually (prior to the end of each semester) to review implementation progress and make recommendations regarding the same. The Committee recommendations will be made to the Superintendent and Union President no later than July 1, annually. In completing its work the Committee will be governed by a consensus decisional model.

SPECIAL EDUCATION

The District Director of Special Services will convene building or District meetings at least twice per school year to address concerns raised by special education teachers regarding the assignment of special education teachers (“load”) and the work schedules of teachers assigned such students. The meetings will involve the Director of Special Services, Director of District Alternate School, Coordinators of Special Services, and interested and effected special education teachers. Concerns regarding load and scheduling will be addressed at these meetings and recommendations will be formulated and presented to the Superintendent and Union President. These meetings will not be used to address individual student issues or placements, as those issues are reserved for the required Individualized Education Plan (“IEP”) process.

SCHOOL IMPROVEMENT DAYS - PROGRAM REVIEW

The Board and the Union acknowledge that questions requiring attention have arisen regarding the implementation of school improvement days. In order to address these questions, the Board and Union will convene a School Improvement Days Program Committee.

This committee will be composed of eight (8) teachers jointly selected by the Union President and the Superintendent. These teachers will reflect all levels involved in the implementation of the Program. Additional members of the Committee will include two (2) District Curriculum Directors, one (1) building administrator from each campus, and two (2) Union Executive Board members appointed by the Union President or designee. The Superintendent and Union President

will serve as ex-officio members of the Committee. The Assistant Superintendent for Educational Services and one (1) Union Officer will serve as moderators of the Committee and set the agenda for Committee meetings.

The Committee will meet outside of the regular school day and teacher members will be paid at the contracted rate as per Section 3.34 (Employment for Additional Time) for time spent in committee meetings. The Committee will meet at least twice annually to review implementation progress and make recommendations regarding the same. The data reviewed should include, but not be limited to, attendance data, discipline data, and teacher professional development evaluation data. The Committee recommendations will be made to the Superintendent and Union President no later than January 1, annually, beginning in 2020. In completing its work, the Committee will be governed by a consensus.

EVALUATION REVIEW TEAM

The Board and the Union acknowledge that annual review of evaluation procedures is necessary. In order to address issues and legislative changes, the Board and Union will convene an Evaluation Review Team.

This committee will be composed certified staff representing all content areas and roles jointly selected by the Union President and the Superintendent. Additional members of the Committee will include Curriculum Directors, Program Directors and Building Administrators. The Superintendent and Union President will serve as ex-officio members of the Committee. The Assistant Superintendent for Educational Services and one (1) Union Officer will serve as moderators of the Committee and set the agenda for Committee meetings.

The Committee will meet outside of the regular school day and teacher members will be paid at the contracted rate as per Section 3.34 (Employment for additional time) for time spent in committee meetings. The Committee will meet to review evaluation procedures and associated evaluation instruments and make recommendations regarding the same. The Committee recommendations will be made to the Joint Committee no later than February 1, annually.
