ROCK SPRING AND BEYOND!

Preparing Students not only for their education at Rock Spring Elementary but **BEYOND!!!**

From the desk of Mrs. Gilstrap:

GA Milestones- We only have one day of testing left. I would like to take a minute to thank the students for working so hard!!! They have done an exceptional job! The younger grades are doing a fabulous job encouraging our older grades. Also, I would like to thank the parents! Thank you for bringing snacks, water, writing inspirational notes, and words of encouragement throughout the week! Your child couldn't do it without you!!! Finally, I would like to thank the teachers for their hard work in developing lessons so that our students are prepared not only for the test but for next year as well! A big thank you to Mrs. Clawson for our Knock It Out of the Park theme and coordinating our testing. Mrs. Wallin for making sure all things technology were on point.

Final Word: I know this year has been different with transitions from hybrid model back to fully in person. but I am impressed of how much our students have learned and our teachers have overcome this year. I want to thank you for a great 2021-2022 school year. We couldn't have been as successful without you! I hope you all have a wonderful summer. Take time to rest, relax and enjoy!
