

## ONLINE LEARNING

---

Mead School District Board of Directors believes that a variety of learning options, including online courses and programs provide tremendous opportunities for students to access curriculum and specialized courses in a flexible learning environment that might not otherwise be available.

The Superintendent, or designee, shall develop procedures to implement this policy. The procedures will include, but not be limited to, a description of student access to online learning courses/programs, student eligibility criteria, the types of online courses available to students, payment of course fees and other costs, granting of course credit and conditions under which no credit will be awarded.
