

STUDENT HEALTH

The Superintendent, or designee, shall arrange for health services to be provided to all students. Such services shall include but not be limited to:

- A. The maintenance of student health records.
- B. The development of procedures at each building for the isolation and temporary care of students who become ill during the day.
- C. Consulting services of a qualified health specialist for staff, students, and parents.
- D. Vision and hearing screening and referral, as appropriate.
- E. Immunization records and evaluation.
- F. Health care plans for those students with life threatening health conditions.
