GRASPS

-- Follow along on the handout

GOAL: To create a Power Point for an elementary class

ROLE: Writer/contributor in a group writing and production task

AUDIENCE: Students and teacher in an elementary classroom

SITUATION: As new students enter elementary school, they need to know places and items they can find in a school or classroom.

PERFORMANCE/PRODUCT/PROCESS:

Your teacher will assign you to a group. Your group will be given some letters of the alphabet. Your task is to create a Power Point slide that you will put alphabetically into a whole class deck of slides. You will select an item in school or class that begins with the letters you receive. Each Power Point slide should include: the letter, a picture, and a sentence description. Underline the key word that begins with your letter. (See next
