TUKWILA SCHOOL DISTRICT (TSD) – NOTIFICATION OF RIGHTS UNDER THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA) and OPT-OUT FORM

Under the Family Educational Rights and Privacy Act (FERPA), parents/guardians of students under age 18, and students over 18 years of age ("eligible students") have certain rights with respect to the education records of a student. If the student is 18 years old, even if living with the parent/guardian, the student has all the rights under this Act. These rights are:

- (1) The right to inspect and review their education records within 45 days of the day TSD receives a written request.
- (2) The right to request the amendment of an education record for a student that the parent or eligible student believes is inaccurate or misleading. If TSD decides not to amend the record, TSD will notify the parent/guardian or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent/guardian or eligible student when notified of the right to a hearing.
- (3) The right to consent to disclosures of personally identifiable information contained in the education records of a student, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by TSD as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a student teacher; a person serving on the School Board; contractors (a person or company with whom TSD has contracted to perform a special task, such as an attorney, auditor, medical consultant, or therapist); consultants; volunteers; or a parent or student serving on an official committee or assisting another school official in performing his or her duties. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, TSD discloses education records without consent to officials of another school where a student seeks to enroll.
- (4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by TSD to comply with the requirements of FERPA. Written complaints should be directed to Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue S.W.; Washington, DC 20202.

<u>Directory Information</u>: Under FERPA, TSD may release "directory" information to anyone, including but not limited to parent-teacher organizations, the media, colleges and universities, the military, youth groups, and scholarship grantors, unless you tell TSD that you do not want the information released. The following information is considered directory information: parent and student name, home address, home telephone number, home email address, student photograph or video, student date of birth, dates of enrollment, grade level, enrollment status, degree or award received, major field of study, participation in officially recognized activities and sports teams, height and weight of athletes, most recent school or program attended, and other information that would not generally be considered harmful or an invasion of privacy if disclosed.

Release of Directory Information for Students in Grades Nine to Twelve (9-12)

As a parent/guardian of a high school student or an eligible student (reached 18 years of age), you have the right to choose between three (3) options on whether directory information concerning your student is released or not.

The United States military requests and is entitled to the names, telephone numbers, and addresses of "secondary school students," unless the parent/guardian or eligible student checks either box B or C. The military typically requests this information in October of each academic year. If you do not want information to be released to the military, you must check box B or C and return this form by October 1 in order to ensure that your selection is recorded in time. If you do not want information to go to colleges, employers, parent groups, or the military you must check box B.

Parents/guardians of high school students and eligible high school students are encouraged to remember that checking Box B or C means that TSD will not release directory information to the military. However, it does not mean that the military might not gather student information from other, non-school district sources. Additionally, checking Box B or C does not prevent military recruiters from speaking with your student when the recruiter is on campus.

Please check one box below and return this form to the school your student attends no later than October 1. If the parent/guardian or eligible student does not check one of the boxes or does not return the form, or checks box A as well as other boxes, TSD considers this response as consent for box A.

For students in grades Nine to T	Swelve (9-12):

Notice of Right to File a Public Records Request: Pursuant to RCW 28A.320.160, school districts are required to notify parents/guardians that they have the right, under the Washington Public Records Act (RCW 42.56), to request the public records regarding school employee discipline. To file a public records request with TSD, send a written request, in writing, to: Human Resources Department: Attn: Public Records Request; TSD: 4640 S 144th St, Tukwila, WA 98168

PLEASE RETURN THIS FORM DIRECTLY TO THE STUDENT'S SCHOOL EITHER IN PERSON OR BY U.S. MAIL.

If you have more than one student, you must return a separate form for each student to each student's school. This form will be retained in your student's folder at his or her school.

ED 506 Form Indian Student Eligibility Certification Form for Title VI Indian Education Formula Grant Program

Parent/Guardian: This form serves as the official record of the eligibility determination for each individual child included in the student count for the Title VI Indian Education Formula Grant Program. If you choose to submit a form, your child could be counted for funding under the program. The grantee receives the grant funds based on the number of eligible forms counted during the established count period. You are not required to complete or submit this form unless you wish for your child(ren) to be included in the Indian student count. This form should be kept on file with the grant applicant and will not need to be completed every year. Where applicable, the information contained in this form may be released with your prior written consent or the prior written consent of an eligible student (aged 18 or over), or if otherwise authorized by law, if doing so would be permissible under the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g, and any applicable state or local confidentiality requirements.

For Parent/Guardians:

Definitions:

Indian means an individual who is (1) A member of an Indian Tribe or Band, as membership is defined by the Indian Tribe or Band, including any Tribe or Band terminated since 1940, and any Tribe or Band recognized by the State in which the Tribe or Band resides; (2) A descendant of a parent or grandparent who meets the requirements described in paragraph (1) of this definition; (3) Considered by the Secretary of the Interior to be an Indian for any purpose; (4) An Eskimo, Aleut, or other Alaska Native; or (5) A member of an organized Indian group that received a grant under the Indian Education Act of 1988 as it was in effect on October 19, 1994.

Student Information: Write the name of the child, date of birth, grade level, name of school and school district. Only name one child per form.

Tribal Membership: Write the name of the individual with the tribal membership, if it is not the child listed. Only one name is needed for this section, even though multiple persons may have tribal membership. Select only one identifier: the child, child's parent or grandparent, for whom you can provide membership information.

Write the name and address of the organization that maintains updated and accurate membership data for such Tribe or Band of Indians. The name does not need to be the official name as it appears exactly on the Department of Interior's list of federally recognized Tribes, but the name must be recognizable and be of sufficient detail to permit verification of the eligibility of the Tribe. Check only one box indicated whether it is a Federally Recognized, State Recognized, Terminated Tribe or Organized Indian Group. Write the enrollment number establishing the membership for the child, parent or grandparent, if readily available, or other evidence of membership.

Attestation Statement: Provide the printed name of parent/guardian and signature, address, phone number and email of the parent or guardian of the child. The signature of the parent or guardian of the child verifies the accuracy of the information supplied.

Paperwork Burden Statement: According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1810-0021. The time required to complete this portion of the information collection per type of respondent is estimated to average: 15 minutes per Indian student certification (ED 506) form; including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: U.S. Department of Education, Washington, D.C. 20202-4651. If you have comments or concerns regarding the status of your individual submission of this form, write directly to: Office of Indian Education, U.S. Department of Education, 400 Maryland Avenue, S.W., LBJ/Room 3W238, Washington, D.C. 20202-6335
