# College Planning

- PSAT - October 12 - Results for fall testing are sent via email. Score reports give scores in Math and “Evidence Based Reading and Writing” so students can identify strengths and weaknesses.
- Counselors meet with students in groups in the late fall to talk about post-secondary options, the 1:1 to select courses in January that will match up to their goal.
- Virtual College Visits - Check [www.youvisit.com](http://www.youvisit.com) or The College Tour on Amazon Prime Video

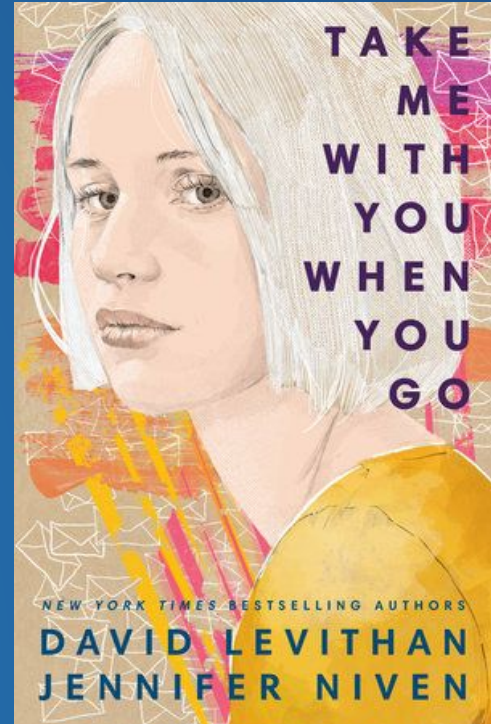

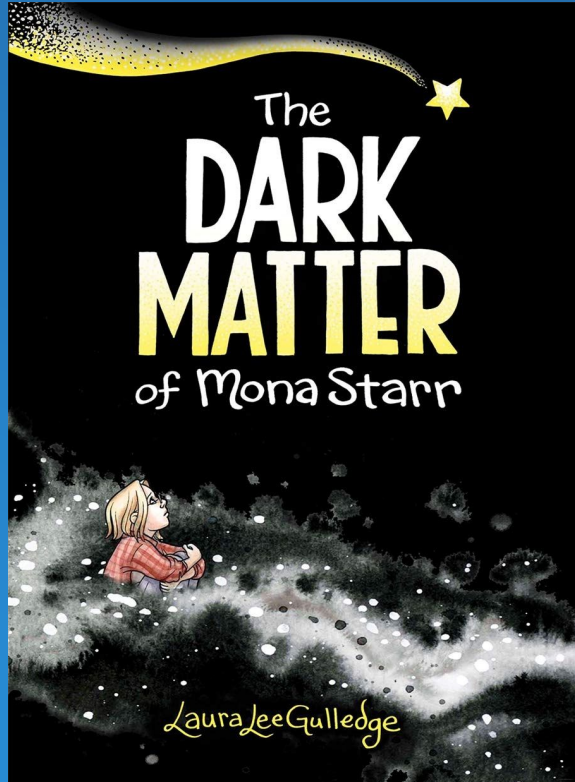

# Summer Work

- Summer Reading (see next slides)
- Summer Math Packets - Most answers are online. Packets shouldn't be "new" content - intended as skill review and practice.
  - + TI Nspire Calculator (check eBay!)

# English I Summer Reading

Alternate titles are available, or students can simply select books of interest. The important thing is to READ!

## Skyward Family Access

Lemont High School utilizes the Skyward Family Access System to provide parents/guardians with access to their children's grades, schedules, attendance, test scores, and other data.

Parents/guardians and students may access the Family Access System by clicking on the "Family Access Login" banner. To utilize Family Access, users must set their Web browsers to allow/accept Cookies; disable the browser's pop-up blocker; and obtain an active Family Access System log-in ID and password.

Individuals who misplace, lose or forget their log-in ID or password may retrieve it by clicking on the "Forgot your Login/Password?" link on the Family Access System screen and entering the e-mail address that is associated with "Guardian 1" in the school's records system.

### Family Access for Mobile Devices

Users who would like to utilize Skyward Family Access on mobile devices may download an app, which is available either from iTunes or the Google Play store. Simply search for "Skyward Mobile Access" and download the app. When prompted for the zip code of your child's school, enter "60439" and then select Lemont High School District 210. The Family Access log-in credentials are the same that a parent/guardian would regularly use on a Web browser.

# Google Classroom

- Each teacher “owns” a page dedicated to the course
- Responsibility of the students
  - Review Daily Agenda
  - Check Classroom when absent
- Parents can request access of each teacher. Best practice is to review with student once a week.

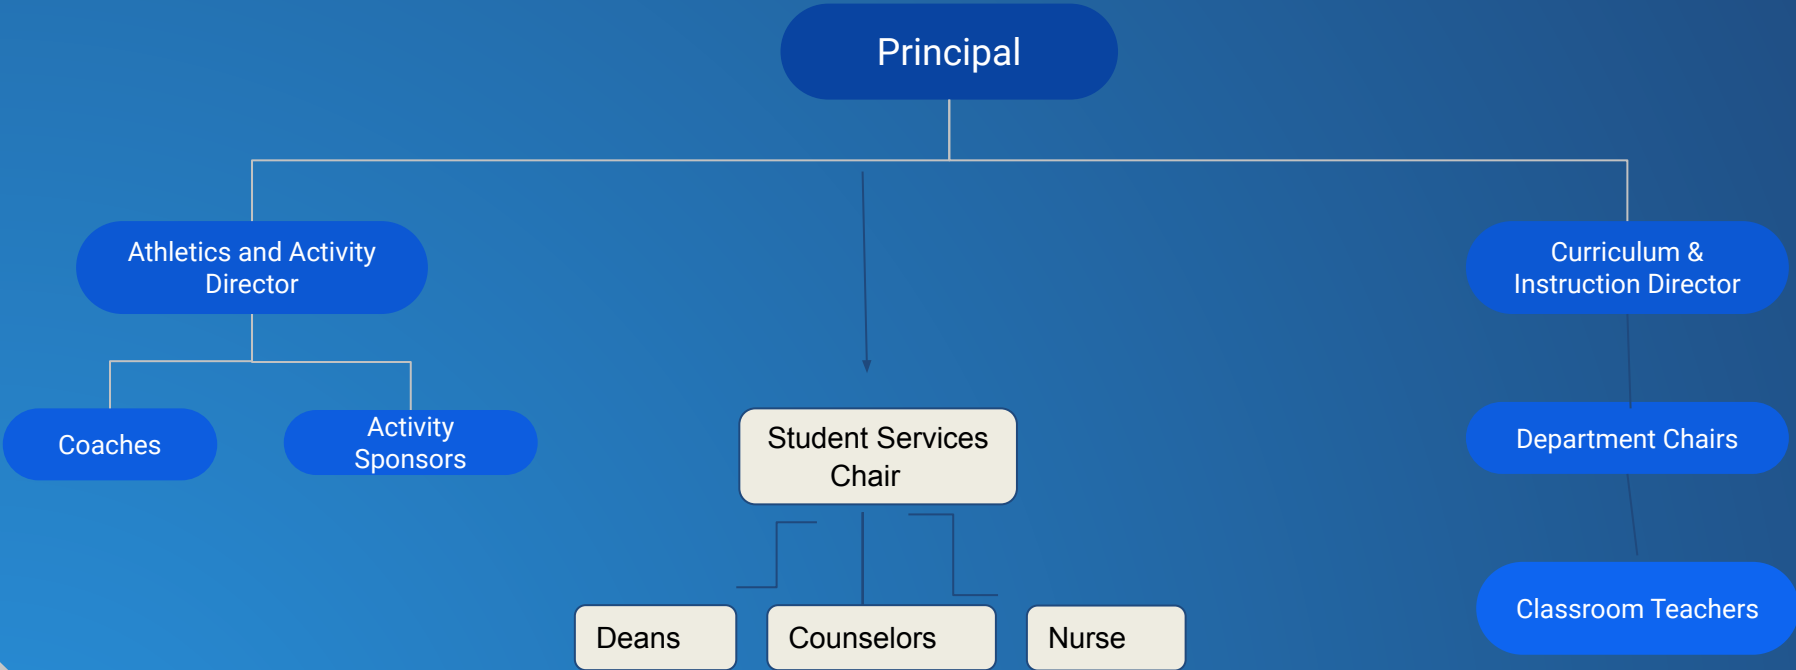

Google Classroom

Classroom helps classes communicate, save time, and stay organized.
