### From the Principal

As we enter the last few weeks of the year, it is critical that students stay committed to regular attendance and progress. For those with good habits, we need your help to keep them focused. For those who have begun to struggle, we need your help to get them focused on and committed to school success.

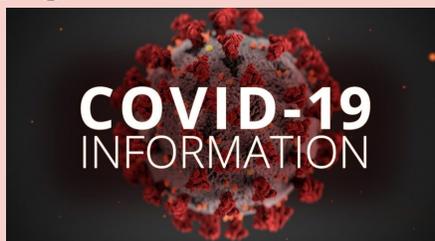

If you have concerns about your child (ren)'s status or future plans, please contact his/her advisor to schedule a meeting.

As always, if you have questions/concerns please contact me directly at [nballard-jones@lwsd.org](mailto:nballard-jones@lwsd.org).

### AAUW AWARDS

The American Association of University Women (AAUW) recognized two Emerson High School outstanding junior girls for 2021-22.

AAUW promotes equity in education for women and girls through scholarships and grants. The goal is to encourage more young girls and women to become interested in careers in science, mathematics, and technology. The recognition certificate can be used by the selected girls with their post-secondary education applications.

**Joseline Rodriguez received the award for Science — she was nominated by Dan Weiss and Jacie Danner received the award for Technology — she was nominated by Daniel Kaufman.**

*Please congratulate Joseline and Jacie for their hard work!*

## ATTENDANCE LINE

Remember, students and parents are responsible for school attendance. The parent or legal guardian of any student living with them, even if over 18 years old, who is absent from class is requested to leave a phone message on the **Emerson Attendance Line at 425-936-2306 within 48 hours of** the absence to explain the circumstances of an absence.

If the parent is aware of an upcoming absence, please call to notify the school in advance. **For vacation or extended absences, the student must pick up a form in the office for teachers and parent to sign prior to the absence.**

If your student was absent from any classes during a particular day, you will receive an automated attendance call after 6:45 PM on that day. If that absence needs to be excused, please call and leave a message on the EMHS attendance line, via email to the Office Manager at [mosness@lwsd.org](mailto:mosness@lwsd.org), or supply a parent or physician note.

## MEDICATION AT SCHOOL

**Students are NOT allowed to have even non-prescription medication on them at school – all medication must go through the Emerson Office, contact Sally Jenkins.**

Parents/guardians are responsible for:

- ◆ Supplying all medications/transporting medication to and from school.
- ◆ Completing required medication authorization forms. **An authorization to administer medication form must be turned in for each medication - whether prescription or non-prescription. The form must be signed by the health care provider and parent and/or guardian. Medication cannot be given without the completed form.**
- ◆ All prescribed medication must be in the original, labeled prescription bottle, container or package.
- ◆ All non-prescription medication must be in original container and labeled by the parent, including: Student Name, Medication Name, Dosage, Date Issued, Name of Health Care Provider, and Time medication is to be given.

**Scheduled medications are given between 11:00 AM - 1:00 PM only.**

**Counselor Corner**

**Words from Wendy**

Our grads have been working hard on their High School and Beyond Plans and their remaining requirements for graduation. If your student is planning on going to college next year - they will need your help to complete their FAFSA forms to see what types of financial aid they qualify for. I am attaching some helpful resources for you as you help your student through this process. I have also sent some financial aid resources home with students to share with you.

As we are planning schedules for next school year, I wanted to remind you about some great opportunities for students to participate in classes that occur outside of the school building. Many of these classes also allow students to earn college credit while also fulfilling their high school requirements.

## District News

### Fall Smarter Balanced Assessment PDF reports available through Skyward/Family Access

In fall of 2021, students in 4th-9th and 11th grades took the Smarter Balanced Assessment (SBA) in English language arts and math. Students in 6th, 9th and 12th grade took the Washington State Comprehensive Assessment of Science (WCAS). The primary purpose of these tests was a brief check-in on how students are doing compared to some of the state standards.

Scores from these tests were posted to Family Access in December under “Test Scores.” OSPI has now provided electronic score reports in PDF format to the district for the students that took the fall test. These score reports do not provide any new student score data; however, they do provide some graphical and textual explanations of the data. These score reports are now in Family Access.

To access the PDF score report:

1. Login to Family Access.
2. Select “Portfolio” on the left menu.
3. Select “Show Scores” for the assessment.

Skyward Family Access support is available on the LWSD website.

Scores from the spring 2022 state tests for ELA and math are typically available by end of June. A communication will be sent when these scores are posted to Family Access.

### 2022 Lake Washington School District Summer School

Each year, Lake Washington School District offers summer school classes for elementary, middle, and high school students. Classes are usually available in a variety of subjects, including English, math, science, reading, language arts, history, and elective courses.

High School Summer School runs July 5-29, 2022

***Please visit the district summer school web page for further information and updates at: [www.lwsd.org/lwsd/html/schools/summer.asp](http://www.lwsd.org/lwsd/html/schools/summer.asp) or speak with our counselor, Wendy Simmons.***

If you have any problems registering for Parent Access, send an e-mail to: [parentquestions@lwsd.org](mailto:parentquestions@lwsd.org) rather than calling the school.

**Interested in putting money on your student's lunch account or the Automatic Withdrawal System for the 2021-22 School Meals Program?**

**Contact Nutrition Services at 425-936-1394**

**BENEFITS****PARENT ACCESS**

The LWS D provides access to student information including student records, lunch accounts, and more via the Internet. This information is secure so that only you can see information about your student (s). The system through which you can view this information is called **Parent Access**.

When you are registered at school, you have secure access to the following types of student information:

- E-mail links to your student's teachers
- Volunteer Application
- Ability to make online credit card payments for fees/fines
- Family Access: the system that provides official student information on your student (s), including emergency contacts, attendance, end of term report card grades, immunization records, parent/guardian information, fees, etc.

**FREE/REDUCED LUNCH PROGRAM**

Nutrition Services offers a limited breakfast program at Emerson. Some options that are provided include items that can be heated in the microwave such as breakfast sandwiches. There are other cold items available such as cereal, breakfast bars, and bagels and cream cheese. Breakfast is available daily between 7:30-7:50 a.m. and between classes until fourth period.

**For the 2021-22 school year, student meals will continue to be provided free of charge at all schools, regardless of income level.** This USDA nationwide waiver allows for meals for the 2021-22 school year only. Even though there will be no charge for student meals, the Point of Sale computer system for meal accounting will still be utilized with a "no charge" for meals. Students will be able to purchase an extra entrée, meal, milk, and other ala carte items for an extra charge.

**Several benefits come with filling out a School Meal Application; not just meals!**

Even though meals are free this year, we strongly encourage all parents/guardians who might be eligible for benefits to submit an application. Completing an application takes less than 10 minutes, and parents only need to complete one application per family.

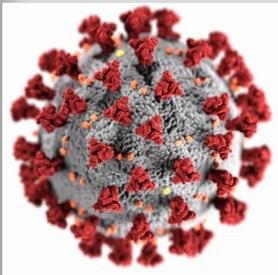

Filling out the School Meal Application may help provide:

- Healthy & Nutritious Meals
- Additional Funding for School Programs
- Fee Waivers for ASB Cards
- Fee Waivers for Athletic Participation & Extracurricular Activities
- Health and Wellness Services
- Fee Waivers for College Applications & Admissions tests
- College Scholarships

School Counselors can help connect you with benefits that you may be eligible for if you qualify for free and reduced meals.

**Applications may be completed online at [www.myschoolapps.com/](http://www.myschoolapps.com/)**

For more information, please visit our website: [www.lwsd.org/pathway-forward/grab-go-student-meals](http://www.lwsd.org/pathway-forward/grab-go-student-meals).

Lake Washington School District (LWSD) is committed to providing a safe environment to our students and staff. Part of that commitment is to adapt to the constant changes related to the COVID-19 pandemic. Last month, LWSD received guidance from the Department of Health to help lead us through this next phase of the pandemic. Part of that guidance included language regarding testing and how the school district can maintain this important resource for the students and staff of LWSD.

The process LWSD is following related to COVID-19 on-site testing has changed with this newest guidance. Families can still expect to see a COVID-19 exposure notification when we are notified of a positive case on campus. The notification will provide instructions for how to sign up for testing. If a family wants their student to be tested, then they need to have the opt-in form signed. It is only after the opt-in form is signed can families sign up their student to be tested and entered into the testing schedule. The opt-in form only needs to be completed once per school year.
