Superintendent's Message

The Interlocal Agreement, approved by the Board of Commissioners and the Board of Education, will support funding to increase Davie County Schools certified staff supplements from 5.5% to 8%. This is huge for our district! This is the first supplement increase in 15 years.

Thank you to all Board of Commissioners and Board of Education members for your dedication to our DCS staff, and for your support and leadership. This is an announcement to celebrate! Together we have partnered for the common good of all

and the common goal to maintain the value
for education and children.

Jeffery D. Wallace
