- The deadline for submission of QUESTIONS about this RFP is 5pm (Pacific) on **02/21/2022**
- The deadline for submission of PROPOSALS in response to this RFP is 5pm (Pacific) on **03/01/2022**

Required Pricing Form

Proposal disqualification factors include failure to submit the required Pricing Form for new services.

Answers to Questions

Q1: Inside the RFP you mention Leased Lit Services or Dark Fiber Services - are you taking proposals on both or just Lit?

A1: Dark Fiber requires a different Service Request Function. We posted only for Standalone Data Transmission Service, so bids for Leased Lit Fiber solutions are expected.

Q2: What make and model are the switches at your hub site and at your remote school sites?

A2: We can support multi-mode or single-mode fiber handoffs. We have Brocade MLX at data center side and Brocade 6610 at the school side.

Q3: Please confirm the location you intend as the “Hub” aka Site A, is 10301 Vista Dr, Cupertino – The CUSD Maintenance and Operations – and NOT, 1309 S. Mary Ave, Sunnyvale, CUSD District Office.

A3: Per RFP, Hub is located at 10301 Vista Dr, Cupertino, CA 95014.
