---

<sup>1</sup> In the unlikely event of technical difficulties, please contact the **Technical Contact** indicated on the Form 470.

## **Deadlines**

This amendment clarifies that based on the certification date of **02/01/2022** for Form 470 #**220007758**, and unless updated further:

- The deadline for submission of QUESTIONS about this RFP is 5pm (Pacific) on **02/21/2022**
- The deadline for submission of PROPOSALS in response to this RFP is 5pm (Pacific) on **03/01/2022**

## **Required Pricing Form**

Proposal disqualification factors include failure to submit the required Pricing Form for new services.

## **Answers to Questions**

A separate RFP Amendment will be issued with answers to questions submitted by the deadline. The “Answers to Questions” RFP Amendment will be posted within 5 days of the deadline for submission of questions.

Q1: Are bid/performance bonds needed if installation is not bid?

A1: Performance or payment bonds will not be required after all, as the projects do not involve construction, wiring, trenching, or fiber upgrades, etc.

Q2: Do outdoor access points already have needed cabling?

A2: Cabling for outdoor access points will be already in place, or CUSDK8 will install cabling. Installation will just be a swap of APs.

Q3: What is the existing cabling? All Cat5? Cat6? A mix?

A3: There is a mix of cabling.

Q4: Will you do a BEAR form on this project?

A4: SPI is selected on the Form 470, unless negotiated otherwise by the parties.

**Cupertino Union School District**  
FY2022 E-Rate Request for Proposals

Q5: A bid is acceptable for just the install of the APs?

A5: Yes. A separate bid for installation of APs is requested, so we can be sure we have enough budget and can leverage as much E-Rate funding as possible.

Q6: Do you want itemized pricing for installation?

A6: A price “per AP” installation would be best.

Q7: For installation of switches, is there any special configuration needed?

A7: New switches should be configured the same way as the switches being replaced.

Q8: Hard copy proposal still needed?

A8: Yes, sealed bids are required, along with USB drive with all documents.

<b><i>SEALED BIDS ARE REQUIRED</i></b> <b><i>Submit SEALED PROPOSALS, including Signature Page, to:</i></b>
<b><u>Attn: Cupertino Union School District</u></b> <b><u>Purchasing Department, Door #10</u></b> <b><u>10301 Vista Drive, Cupertino, CA 95014</u></b> <b><u>Open 8a – 4p M-F</u></b>
Unless indicated elsewhere (e.g., by amendment to this RFP), the deadline for submission of PROPOSALS is <b>4pm Pacific time, 28 calendar days from the Certified Date</b> shown on the associated Form 470.
<b>All documents for SEALED BIDS must be provided on a USB drive as well.</b>
