

Civics & Economics Summer Reading Assignment

The Civics & Economics summer reading text is Reyna Grande's *The Distance Between Us*, Young Readers Edition: ISBN 978-1481463706

From [the author's website](#):

Award-winning author Reyna Grande shares her compelling experience of crossing borders and cultures in this middle grade adaptation of her “compelling...unvarnished, resonant” (BookPage) memoir, The Distance Between Us.

When her parents make the dangerous and illegal trek across the Mexican border in pursuit of the American dream, Reyna and her siblings are forced to live with their stern grandmother, as they wait for their parents to build the foundation of a new life.

*But when things don't go quite as planned, Reyna finds herself preparing for her own journey to “El Otro Lado” to live with the man who has haunted her imagination for years: her long-absent father. Both funny and heartbreaking, *The Distance Between Us* beautifully captures the struggle that Reyna and her siblings endured while trying to assimilate to a different culture, language, and family life in *El Otro Lado (The Other Side)*.*

This text will figure into our introductory lessons, and I will guide the kids along as we draw insights from the text. **But for now, just read it and enjoy it.**

Best,
Dr. Lien
