RE: RFP 21-33 IEP Required Occupational & Physical Therapy Services

ADDENDUM 5

VENDOR QUESTIONS & ANSWERS

- 1. Do proposers need to submit a Corporate Resolution similar to the sample provided in the RFP? If so, does it need to be notarized?**

As long as it has the main component of the sample provided, it doesn't have to be necessarily similar. And no, it doesn't need to be notarized.

- 2. Do proposers need to provide any documentation pertaining to our Non-Discrimination policies, as outlined on page 5 of the RFP, at the time of our proposal submission?**

NO, but if available, please include.
