Model For Teachers & School Leaders**

ADDENDUM 1

VENDOR QUESTIONS & ANSWERS

1. Have the acceleration coaches already been hired into their roles, or is recruiting, selecting, and hiring these individuals part of the scope?

The hiring of these coaches is already in process.

2. Are the 7 acceleration coaches supporting all schools in Stamford (and therefore each one is supporting multiple schools), or will certain schools be prioritized for coaching support from these individuals in the upcoming school year?

We will have 1 acceleration at each of our 5 middle schools. We will also have 2 coaches that are supporting tier 1 instruction more broadly across the district.

3. Will acceleration coaches be hired based on specific background/expertise areas (i.e. elem/secondary; ELA/math, etc)?

We are looking for master teachers with middle school experience who are interested in coaching colleagues.

4. Is there a budget range that Stamford Public Schools has in mind for this work?

No
