Re: RFP 20-12 Kitchen Appliance Repair Service

ADDENDUM 1

VENDOR QUESTIONS & ANSWERS FOR RFP 20-12

1. Our company only does hot side repair; ovens, kettles, steamers, slicers etc... We are not licensed for refrigerator and freezer repairs. Can we bid for just the hot side appliances?

Currently our vendor does both, kitchen equipment and refrigeration and the refrigeration is where we have most of our repair requests.
