MAINTENANCE/REPAIR – PREFERRED VENDOR LIST

Invitation to Bid/Overview of Services

- Stamford Public Schools (SPS) is soliciting proposals from individuals, consultants, or organizations to provide pricing structure, where applicable, for maintenance and repair services related to plumbing, HVAC, carpentry, painting, electricity, and stadium services. SPS is developing a preferred vendor list which it will utilize as needed for the district 21 school buildings and 2 other facilities that house the Adult Education program, and the Alternate Route to Success Program. Throughout any given school year, many of the district school buildings require materials, supplies and maintenance and repair services. Examples of these specific maintenance and repair materials, supplies, and services are outlined in more detail in “Scope of Services” section C.
- Successful vendors will be placed on a “preferred vendor” list and will be the default provider for maintenance and repair services when SPS’ school buildings needs related services during the school year. If your company has an interest in providing these services on an as needed basis for SPS school buildings, please review the RFP detail and we look forward to your response.
- All vendors should identify the specific area (s) of expertise being bid on, and the hourly rate for maintenance or repair services to be provided, if applicable. Pricing will be effective for the remainder of the 2018-19 school year (January 1, 2019 to June 30th 2019), and for the 2019-20, 2020-21, 2021-22, and 2022-23 school year.
- The number of school buildings to be serviced simultaneously will vary. The intent is to have vendors available to quickly initiate maintenance and repair services, and to also create a pool of approved vendors that can provide related materials and supplies at a reasonable and competitive price to the district.
- SPS seeks experienced and licensed individuals, consultants, or organizations that have had prior success with performing similar maintenance and repair services identified in Section C.
- Contracts shall be awarded to the individual, consultant, or organization whose proposal best meets all criteria listed in the RFP.
- Request for proposals will be available at the purchasing department section of the Stamford Public Schools (SPS) website:
<http://www.stamfordpublicschools.org/district/finance-purchasing/pages/rfps-and-bids>
starting Thursday December 6, 2018.

- **Proposals must be sealed and received by Thursday, December 20, 2018 at 2:30 P.M.**
