

Stevensons is Coombe Wood School's Uniform and Sports kit provider. Please see the website link to the uniform page [here](#)

We believe that a smart uniform is essential in expressing a school's attitude towards participation, learning and the passion it shares with its community in looking smart, feeling smart and being smart. Students at CWS wear their uniform with pride, demonstrating a love for their school and a love of learning. We ask that parents and carers share our passion for their child to wear their uniform with pride ensuring they leave the house in the morning fully prepared for learning and in full school uniform.
