

Our Mission Statement

The Magnet Middle School respects the unique characteristics and individuality of emerging adolescents. Our staff, in partnership with parents and students, strives to develop independent and responsible learners in both heterogeneous and homogeneous groupings. Through our unique school culture, we address the physical, social, and emotional needs that further intellectual development.

While using an interdisciplinary approach to learning, special emphasis is placed on math, science, and technology. The school is strongly committed to implementing the principles of the Carnegie Foundation Report and the Coalition of Essential Schools.
