Construction Begins on New Canton South Middle School

Monday, September 14, 2020, officially marked the start of the Canton South Middle School building project with a groundbreaking celebration. Construction on the building will begin in the fall of 2020 and be completed in May 2022.

The new Canton South Middle School will serve approximately 450 students in grades 6-8 and shares the same site as the existing high school to create a middle/high school campus. The building's elongated North-South shape allows it to fit within the constraints of the site while keeping district operations intact.

The floor plan reflects 21st Century Learning in which the layout of spaces not only supports flexibility of use, but various learning experiences that will help students form the skills needed in the 21st century workforce.

The exterior design borrows overall theme, colors, and materials from the existing high school to help create a campus identity, yet still looks like its own building and design. Funding for the project comes from public utility taxes that the district has been able to put aside over the past several years, along with a partnership with the Ohio Schools Facilities Commission. GPD group is the project architect/engineer and Beaver Constructors, construction managers.

Representatives from the Canton South Middle School planning committee Dan Datkuliak, Mark Shaffer, Scott Hamilton, Chris Cole, Steve Milano, Chris Noll, Brian Mohn, Jaimie Brown and Victoria Hessey.

Free Breakfast and Lunch for All Students

The USDA has extended its Summer Food Service Program through June 30, 2021. This means that breakfast and lunch meals will be free for all students in grades Pre-kindergarten through 12.

Per the USDA and federal food service programs, this includes complete meals only. Individual items will be charged accordingly. For example: If a student chooses to buy only milk (or extra milk), it will cost fifty cents. However, if a student orders a full meal that includes milk, the meal is at no cost to the student.

Parents still MUST complete free and reduced lunch applications for all eligible students for the 2020-21 school year. Applications are available online at payschoolscentral.com.

Canton Local Virtual Academy families may order and pick up meal bundles that include five breakfasts and five lunches at no cost each week school is in session. Pickup day is Wednesday from 4-4:30 pm in front of Canton South High School door #2.

Virtual academy parents must sign up for this service online weekly by Sunday. Contact ashley.morena@cantonlocal.org with questions.

RENEWAL LEVY

NOT A NEW TAX

Answers to Most Frequently Asked Questions about the May 2021 Levy

What will the renewal levy cost taxpayers?

The renewal levy is **NOT a New Tax** and will not increase taxes.

What is a renewal levy?

Ohio law allows districts to ask voters to renew a limited levy when it expires. The levy must be for the same purpose and is renewed at the current millage rate. Canton Local's renewal request is for 8.9 mils for operations and 1.9 for permanent improvements for a 5-year term. The expiring levies were last renewed in 2016.

What is included in operating dollars?

Operating levy funds are used by the district to pay staff to educate, feed, counsel, support and transport students as well as implement improvements in safety and security, mental health, academics programming, arts and extra-curriculars.

What is included in permanent improvement dollars?

Permanent improvement levy funds are used to help pay for buses, technology, maintenance equipment and building improvements.

Does the district have a levy on the ballot because of the new middle school?

The renewal is needed regardless of the new construction project. The new middle school is being funded in partnership with the Ohio Schools Facilities Commission along with public utility taxes that the district set aside over the past several years.

What is the district doing to reduce costs and operate efficiently?

The district:

- Maintains staffing levels to meet student needs and enrollment projections
- Utilizes business and community partnerships to fund special projects
- Applies for state and federal grant opportunities
- Monitors interest rates and refinances bonds saving taxpayers nearly \$2 million since 2014

CANTON LOCAL *Online* VIRTUAL ACADEMY

Based on guidelines from Governor DeWine, the Ohio Department of Education and the Stark County Health Department, Canton Local Schools offered parents the choice of two learning options for the 2020-2021 school year: traditional

CLVA student Joe Arena and his mom Tara.

in-school format, with appropriate safety measures, five days per week and an online learning option through the Canton Local Virtual Academy (CLVA) utilizing the Edgenuity Educational platform.

The District strongly believes that the traditional school format is the best learning model for most students and implemented additional safety procedures and protocols to provide the safest learning environment possible. They are also pleased to offer an online learning option through the CLVA, with support from Canton Local teachers, to families and students who cannot or choose not to return to the traditional school format.

CLVA student Adelyn Allen.

Students are assigned weekly academic work through the Edgenuity system. Lessons are delivered via computer, giving students the opportunity to learn from videos, computer activities, and traditional written work and projects. Canton Local support teachers set up the weekly academic work while monitoring student progress and providing feedback on assignments.

The CLVA features two "schools" for students in K-5 and 6-12. Parents have the option of changing the way in which their child is learning at the end of each nine weeks. Currently there are 21.34% enrolled in the CLVA for second semester which began October 26.

More information on the CLVA can be found at tinyurl.com/CLSDVirtualAcademy20-21.

Wearing Pink for Cancer Awareness

Walker Elementary held a wear pink for cancer awareness spirit day in early October. Visible in the picture above are first grade students **Aubrey Elliot** and **Alivia Beadle** with their teacher **Mrs. Brown** and below third grader **Alyvia Martin** gets in on the fun in **Mrs. Saunders'** homeroom.

Third Graders Research Forest Fires

Evelyn Gentry, along with other Walker third graders, are working on research projects on the topic of forest fires.

Students Learn Language Arts Outside

In September, teachers took advantage of the great weather moving language arts activities outdoors! Pictured are **Mrs. Amy Sadler's** students **Nevaeh Jeffries**, **Tuhlulah Rue** and **Nina Simmons**.

New Safety Book Collection Available

Mrs. Brothers shows off a new collection of safety picture books at Walker Elementary School that were chosen by Deputy Ousley and Deputy Antenora. Teachers can borrow the books or request a reading by one of the Resource Officers.

Mr. Groholy, Associate Principal at Walker Elementary, is a certified PBIS trainer and will be working with Mrs. White, School Counselor, in moving Walker forward with PBIS implementation.

PBIS Moves Forward at Walker

Positive Behavioral Interventions and Supports, or PBIS, is an effective and proactive framework for improving safety, social competence, and academic achievement for all students. House Bill 318 strengthens existing requirements for school districts to implement PBIS.

Staff Shows That Winning Spirit

Walker staff members including Mrs. Feller and Mrs. Forshey joined in on the spirit day fun wearing pink for cancer awareness. Mrs. Forshey did such an exceptional job that she won the spirit day award!

First Graders Open Exploration Bags

First Grade students, including Kinsley Pritchett and Mia Day pictured here, were enjoying the exploration bags during an outside break.

L to R: Mia Haynam, Gi'Anna Croston, Amiyah Bates and Nevaeh Elder made elephant toothpaste with hydrogen peroxide, dish soap and food coloring.

Chemical Reactions Explored

Ms. Williams and Mr. Boldizar science students researched and chose fun experiments to try in class. Students presented their chosen experiment, explaining why they chose it, what safety precautions were needed and what aspect of science they were demonstrating.

William Kieffer and Aiden Lewis created a volcano that erupted using baking soda and vinegar.

Chloe Reed and Christian Richardson test out their volcanoes.

STEAM Class Learns Explosive Lesson

Fifth grade STEAM students had an “explosive” culminating experiment on a unit about volcanoes. The lesson introduced students to how volcanoes work, different types of volcanoes, and volcanic eruptions. In addition, they learned about life near volcanoes and the societal impact that volcanoes have on communities. Concepts of chemistry are integrated into the course to help students simulate the volcanic eruption. Students experienced a broad range of learning in this module, including earth science, chemistry, and social studies.

Megan Hussar and Haidyn Stephen post volcanic eruption.

Volleyball Team Wins First Tourney Game

FMMS 7th grade volleyball won their first league tournament game.

CTE Students Tour Building Site

Construction Technologies seniors recently toured the site of the new Canton South Middle School, led by superintendents and project managers from Beaver Constructors. Students in the program will participate in monthly project updates and tours. As the work continues into 2021 and 2022, students will have the opportunity to become employees on the project alongside industry professionals. We appreciate the continued partnership and mentoring our local businesses provide for our career tech students!

Students Take In-School Field Trips

Senior Cynthia Kelly shows off her personalized 3-D printed mug.

COVID has limited students in **Mrs. Tsafarides'** and **Mrs. Lias'** classes from taking field trips out into the community, however, students now visit **Ms. Miller's** science and **Mr. Laughlin's** tech class instead!

In Miller's science class, students go to the lab for hands-on experience in forensics, biology, chromatography, solar systems and much more. They investigated a "crime scene" complete with forensics and finger printing.

In Laughlin's tech class, students have a step by step instructional, hands-on experience learning about technology on computers through project-based learning and 3-D printers. Students designed a personalized mug and are looking forward to constructing a bridge in the near future.

Veronica, who plans to attend Kent State University to study fashion merchandising, received a \$100 for her winning work.

Student Art Displayed at Statehouse

Senior AP/Graphic Design student **Veronica Reibenstein's** artwork was selected to be part of the Ohio House of Representatives Student Art Exhibit. The artwork, installed this summer, is being enjoyed by the public, state representatives, and aides walking through the Verne Riffe Center for Government and the Arts and Ohio Statehouse. Only one piece is chosen for display from each of the 16 Ohio congressional districts. The exhibit will remain open until Spring 2021.

Eagle Scout Makes Flag Box

Canton South senior and Boy Scout **Nathan Cordes** designed a flag retirement box in Faircrest park for his Eagle Scout project. Nathan was inspired by the tremendous number of flags his troop received over the years for flag retirement ceremonies and by a fellow scout in Plain Township who built a retirement box at a local park.

Holiday Play Staged as Live Radio Show

Canton South High School Theatre Department presents the holiday classic "It's A Wonderful Life-A Live Radio Play (One-Act)" both at Canton South High School on November 6 and 7 at 7 pm and streamed online on November 14 at 7 pm. When it became apparent that Canton South couldn't present their fall high school musical due to Covid protocols, theatre teacher and director **Mrs. Stefanie Fatzinger** looked for other options. Colleagues recommended a live radio play style performance, where actors could primarily rehearse online rather than in person. The play's staging is a throwback to the 1940s with actors in a radio studio in front of a live audience. Actors are spaced around the stage, maintaining social distance whenever possible.

The cast includes senior **Bobby Freshour** as George Bailey, junior **Corrine Bowman** as Mary Hatch Bailey, sophomore **Collin Myers** as Clarence the Angel, and junior **Jackson Stutler** as Mr. Potter. Mrs. Fatzinger directs the production.

Tickets for the live performance, limited due to capacity restrictions, are on sale for \$7 at the Canton Local District office at 600 Faircrest St. SE. Find information at www.cantonlocal.org, including how to purchase tickets for the streamed performance.

Foundation Seeks Hall of Distinction Nominations

Unfortunately, due to COVID-19, the CLSD Hall of Distinction inaugural induction ceremony was put on hold. The committee is planning a recognition for Fall of 2021. This will include recognition of the Class of 2020 inductees, along with the Class of 2021 inductees.

The committee is accepting applications for nominees for the 2021 Hall of Distinction. The deadline for nominations is June 30, 2021.

The CLSD Hall of Distinction is designed to recognize Canton Local Alumni and other individuals who have distinguished themselves and have exemplified the educational and moral values that are respected by our community and school system.

To be considered for this honor, nominees must meet the eligibility requirements as defined by the Canton Local Schools Hall of Distinction Committee.

Those selected into the Hall of Distinction

will be memorialized with a permanent likeness and inscriptions at Canton South High School. Those receiving recognition are strongly encouraged to attend all recognition events.

Application Guidelines

Nominations and supporting material must be in writing to the CLSD Hall of Distinction Committee.

Application packets are available at Canton Local Administration Building and online at cantonlocal.org.

If you are unable to pick up a packet or access online, call 330-484-8019 and one will be mailed to you.

The CLSD Hall of Distinction Committee shall review applications and make a final decision. All persons making nominations will be informed of the final selections.

Eligibility requirements

The nominee must be a graduate (living or deceased) of Canton South High

School prior to 2010 or a non-graduate (living or deceased) whose association or contributions significantly impacted the history and welfare of the Canton Local School District.

The nominee must have distinguished himself/herself in one or more the following areas:

- Community Contribution
- Professional Accomplishments
- Education
- Political Leadership

CANTON LOCAL ALUMNI & FRIENDS FOUNDATION

Once a Wildcat, Always a Wildcat

The Canton Local Alumni and Friends Foundation is responsible for planning and initiating the Hall of Distinction. The foundation is currently working on a recognition wall in the Canton South High School main event lobby that will include inductees and donor recognition plaques as well as interactive touch screen displays.

HALL OF DISTINCTION

Leave a Lasting Legacy

The committee is seeking alumni donors and friends to help fund the construction of a permanent recognition display at Canton South High School, and establish a foundation with the goal of providing scholarships to deserving Canton South graduates and supporting various foundation initiatives.
