# Appreciology

Now that the 2019-20 school year is off and running, it is time to reaffirm our commitment to a year of appreciation. This year, the Canton Local School District learned about Appreciology, the art and science of appreciation. It was the main message shared at convocation by keynote speaker Chris DiMauro, vice president of strategy for The Impact Group. During his speech, Chris issued several challenges to our staff members centered around appreciation and how to make a positive impact on those around you. There is no better time than now to continue our work on these themes.

If you want to make an impact and create a culture of appreciation, consider:

- **Making a commitment to keeping an appreciation journal**
- **Making a commitment to catching others doing something right**
- **Celebrating small wins each day because small dominoes can create massive energy**
- **Changing your mindset through consistent reminders that “we are what we think all day long”**
- **Remembering that our brand is our people and the way we treat each other and those we serve matters**

Sharing appreciation can truly make a difference. That is why we want everyone to know how much we appreciate your support. At Canton Local Schools, we are so grateful for:

- **Our community for supporting the bond issue that enabled us to build the high school.**
- **Our staff for participating in the curriculum audit and the Board of Education for approving the funding to purchase the resources needed.**
- **Stadium donors for making our dream of a first-class stadium a reality.**
- **The community businesses that choose to build and expand their companies in our district, thus providing additional funding and financial stability for the schools.**
- **Our staff for going above and beyond for our students and their families.**
- **The ability to have two school resource officers to protect and build relationships with our students.**
- **Our students, staff and community for participating in the Wellness Challenge and taking positive steps toward healthier lifestyles.**
- **Backpack donors who provide funding and food so our students have meals and snacks over the weekend.**

We will continue to practice the art of appreciation, because without our community's support, we could not do what we do for our students and families. Thank you and Go Wildcats!

## SCHOOL CLOSING NOTIFICATION

The CLSD uses a rapid phone calling system for school closing alerts and notifications. Please be sure to notify your child's school office of any phone number changes for school records. School closing information will continue to be broadcast over WHBC (1480 AM or 94.1 FM) radio stations and posted on the district website and Facebook page prior to 7:00 a.m. Families can update their phone numbers on the district website at [cantonlocal.org](http://cantonlocal.org), quick links tab - district alerts.

# CLSD Board of Education

The Canton Local Board of Education conducts open meetings that are held at the Administration Center and school sites at 7:00 p.m. on the second Monday of each month (except as noted\*).

**November 18 - Walker Elementary\***

**December 9 - Canton South High School**

**January 13, 2020 - Canton South High School (tentative date)**

All action of the Board takes place in public session. However, the Board may adjourn to an executive session, in accordance with Ohio's open meeting law, to discuss personnel matters, land purchases, negotiations, pending court action, security arrangements, and confidential records. Any action resulting from the discussion in the executive session must be made during a public session of the Board.

## Hearing of the Public Information

Although state law does not require boards of education to set aside time for public comment, the board recognizes the value of public input on educational issues and has adopted Bylaw 0169.01, effective 7/18/11, to provide for public comments.

## SPECIAL STUDENT SERVICES AVAILABLE

The CLSD Special Services Department represents a variety of student support programs and services focused on success for all students. Helping students make a good adjustment to school life, bringing families and schools together, and supporting students with individual needs is the focus of each of the special service programs.

Special Services programs operate in each of the schools within the school district. Special Education Services provide programming to students ranging from age 3 through 21 who have an identified disability. Special Education staff members include intervention specialists tutors, paraprofessionals, counselors, nurses, therapists and psychologists.

If you know of any child who maybe is in need of services, please contact the building principals or the Special Services Office at 330-484-8022.

# Preschool Now Open for 3-5 Year-Olds

Canton Local Schools 5-star preschool education for those students who meet the eligibility. Walker Elementary has three preschool classrooms and each class has different criteria for admission. Canton Local's preschool program has received a Five-Star Step Up to Quality Award from the Ohio Department of Education (ODE).

The first preschool program is a partnership between Canton Local Schools and the Stark County Educational Service Center. This program is called Stark County Integrated Preschool (SCIP). The preschool is offered 4 half days per week to children 3-5 years of age who have been identified as developmentally delayed in one or more of the following areas: communication, vision, hearing, motor skills, social-emotional/behavioral functioning, self-help skills, and/or cognitive skills. This program also accepts children who are typically developing to serve as role models in the class.

The second preschool program is funded by a grant through the Ohio Department of Education. The children enrolled in this program need to meet income eligibility requirements and be typically developing. This classroom is also offered 4 half days per week for children who are 3-5 years of age. The entire family has opportunities for involvement in their children's preschool education, which begins the journey for the home-school partnership. Children between the ages of 3 and 5 are eligible, as long as they are not 5 years old before August 1st of the current school year.

# Buzinski Receives Jennings Action Research Fellow

The Martha Holden Jennings Foundation recently named Canton South High School English teacher Heather Buzinski as a Jennings Action Research Fellow.

This highly regarded distinction honors master teachers in select areas of Ohio each year. Candidates, who have been nominated by their superintendents, participate in the Jennings Educators Institute during the fall. A three-part professional development experience, the Institute encourages and supports teachers as they strive to improve their practice. Upon completing the series, participants can earn the designation "Jennings Action Research Fellow" by taking an additional step to immediately apply what they have learned. During the next several months, they design, implement, and document lessons incorporating ideas from the Institute under the guidance of university partners. They share the outcome of their work with colleagues at the Jennings Action Research Fellows Showcase the following spring.

- AIRPORTS
- WEDDINGS
- PROMS
- HOMECOMING
- DOCTOR APPOINTMENTS

**Correction:** Canton South alumni Andrew Ricketts and Matthew McCue were also recipients of James H. and Shirley L. Green scholarships. Jim and Shirley Green established this fund to benefit graduates of Canton South High School attending a two-or four-year college. Ricketts and McCue were not mentioned in a previous issue.

## SMITH RECOGNIZED FOR LIFE SAVING EFFORTS

The American Red Cross presented Canton South Sports Medicine teacher Kristen Smith with its Certificate of Merit for her efforts that helped save a fellow teacher's life. It is the highest award given by the Red Cross to an individual or team of individuals who saves or sustains a life by using skills and knowledge learned in a Red Cross Training Services course.

Last January, Kristen—who is trained in Red Cross First Aid/CPR/AED—recognized the signs when a colleague began to choke during lunch. She quickly reacted, confirmed that the teacher was indeed choking, and performed abdominal thrusts until food was dislodged from her colleague's airway.

Kristen's colleagues nominated her for the Certificate of Merit over summer break, worked with Red Cross representatives to verify her remarkable actions, and helped plan for the award's presentation.

Jeff Moore, principal of Canton South High School, said, "Kristen exemplifies what we want all of our staff and students to be, someone who takes their education/training and uses those for the betterment of others, someone who is caring and is not afraid to be involved. We could not be more proud of Kristen and all she represents in Wildcat Nation."

# Canton Local Hall of Distinction Class of 2020

The CLSD Hall of Distinction will recognize Canton Local Alumni and other individuals who have distinguished themselves and have exemplified the education and moral values that are respected by their community and school system.

To be considered for this honor, nominees must meet the eligibility requirements as defined by the Canton Local Schools Hall of Distinction Committee. Those selected into the Hall of Distinction will be memorialized with a permanent likeness and inscriptions at Canton South High School.

The Inaugural Class will be chosen from nominations by members of the Hall of Distinction committee, Canton South Advanced Education Foundation and the Alumni Association. All future classes will be selected through the nomination process. Members of the first class will be notified by the committee and announced in the February 2020 issue of the Inside Canton Local Schools newsletter.

The call for nominations for the second class of CLSD Hall of Distinction will begin March 1, 2020. The second class, and all those following, will be recognized during Canton South High School's homecoming weekend typically held in October. Nomination forms will be available February 2020 in the newsletter and online at [cantonlocal.org](http://cantonlocal.org).

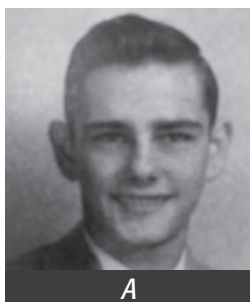

## NEW FAMILY SUPPORT SPECIALIST TO PROVIDE SOCIAL-EMOTIONAL ASSISTANCE

Canton Local Schools family support specialist (FSS) Ann-Margaret Lambo provides services to students and families that improve their lives. Through her vast community resources knowledge and support of local agencies, Mrs. Lambo helps students and their families with housing, clothing, food assistance and bridges connections between teachers and parents. She has direct access to many community services and is happy being a listening ear and comforting voice during difficult times.

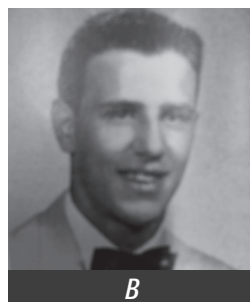

Mrs. Lambo is a freelance writer who loves to play tennis and bake in her free time. She and husband, Jamie have two adult children, Ann Therese and Paul.

# Sippo Lake

On October 2, Walker families were able to enjoy a wonderful night at Sippo Lake. Staff provided fun activities for families. Students could paint a pet rock, make a bug top, make a kite, play and take bubbles, create an apple bird feeder, and learn how to cast using a fishing pole. A "take a selfie" station was also provided so that families could preserve the memory. A food station serving hot dogs, chips, cookies, and water was also a highlight. Student entered a raffle, and prizes were given at school the next day.

Families could stroll through the grounds at Sippo while enjoying a fun packed evening.

## Walker's Therapy Dog

Kahia, a ten-year-old Rottweiler, will be visiting Walker every Monday. Owned and trained by Mrs. Pat Metzger, Kahia has spent years working as a licensed therapy dog at Aultman Hospital. Since Kahia is no longer able to handle the hospital stairs, she has come to Walker.

Upon parent permission, students are selected to read to Kahia. Kahia's gentle nature brings comfort and support to students as she dutifully listens to the stories. Students practice in advance so that they can show Kahia their reading skills. It's a wonderful time and hard to tell who enjoys the time more – Kahia or the students!

# Attitude of Gratitude

Each day in 5th grade language arts, students come into class and get out their gratitude journals. These bright orange pieces of paper say, "Starting My Class with an Attitude of Gratitude" and students write down at least three things that they are thankful for each day. Miss Hershberger, Ms. Thompson and Miss Rufo enjoy asking students to volunteer to present what they wrote, and they have been encouraged to read what has been written. The goal of the program is to encourage students to adapt a positive mindset in order to perform better in class. Students have filled up the last box on their first page (that's 33 boxes which makes 99 things they are grateful for!) and will continue to fill their papers throughout the school year.

# Coffee Cart Club

Faircrest Memorial Middle School Intensive needs students are "rolling out" a Coffee Cart Club, providing students with the opportunity to be baristas on Friday mornings. Every Friday two students with the support of Speech-Language Pathologist, Megan Conley and help from Mrs. Miller, Mrs. Halas, and/or Miss Roach travel the hallways of Faircrest delivering coffee to teachers who previously placed orders. Prior to coffee delivery, students distribute and collect order forms and prepare the coffee in their classroom. A cup of coffee is 50 cents. The profits made from the coffee cart will be used to purchase more coffee, creamer, sugar, cups, and other supplies as needed.

The Coffee Cart Program provides students with the opportunity to use appropriate social communication skills, follow a recipe, sequence steps in an activity, fulfill orders, focus on peer-peer work relationships, handle money, and work on hygiene practices. The Coffee Cart Program promotes inclusion and allows students to gain confidence and life skills that will prepare them for the real world.

# Wildcats of the Month

Our Wildcats of the Month for September are **Brady Slates** and **Jenna Haynam**. Brady and Jenna are both seniors at Canton South High School and are very active members of the school community. They set a great example for their peers and are outstanding students.

During his time at the high school, Brady has been a part of the National Honor Society (NHS), National Technical Honor Society (NTHS), served as the junior class vice president and was a member of speech and debate for one year. Additionally, he was a participant in Business Professionals of America (BPA) for two years and has been a member of Academic Challenge for all four years.

Along with academic involvement, Brady is also on the track and field team and played in the marching band, concert band and pep band for two years.

Outside of Canton South, Brady enjoys being involved with the community by helping to plan and participating in different events, such as the Faircrest Flag-Planting, Jingle with Kris Kringle, Balloon Lift-Off, Craft Show and Dancing with the Teachers.

After graduation, Brady plans on attending either Slippery Rock University or the University of Akron and wants to major in mechanical engineering with a minor in chemistry.

Jenna has served as the vice president of NTHS, the vice president of sports medicine and the secretary of sports medicine for one year. She has also been involved with 6th Man Mentoring for two years and was a member of Student Leadership for all four years.

In addition to her academic involvement, Jenna was on the track team for one year, the basketball team for two years and has played soccer all four years of her high school career.

Jenna also enjoys staying involved with the community outside of her school extracurriculars, which includes serving as a Little League soccer coach and cleaning up the Walker Courtyard for two years, helping with the Senior Citizens' Prom all four years, and assisting with Kindergarten Camp and Safety World.

After graduation, Jenna plans to go to college to pursue a degree in medicine or therapy.

**Congratulations Brady and Jenna for being named September's Wildcats of the Month! Keep up the great work!**

# Career Technical Programs

The Small Animal Science Program is taking appointments to have dogs bathed and nails clipped for \$10. Email [animal.science@cantonlocal.org](mailto:animal.science@cantonlocal.org) to make an appointment. Drop-off times are 8:45 a.m. or 12:30 p.m. with pick-up at 10:45 a.m. or 2:00 p.m. The program is located at door 4 of the Hayden Annex Building. Owners must provide proof of up-to-date rabies vaccination.

## Printing Press Field Trip

Senior Graphic Design students took a trip to Standard Printing in Canton for a tour of the printing plant arranged by owner Terry Nolan. Students learned about real world applications linked to what they have been studying over the past year. While there, the class met former CTE Canton South Graphic Design graduate Seth, who has been working full time at Standard since he graduated.

## Hands-On Practice

Canton South juniors in the Sports Medicine Program work with Canton Township Fire Department to earn their American Heart Association CPR certification.

## CSHS to Host EBC Honors Choir

Canton South High School will host the EBC Honors Choir on Thursday, Nov. 21. This year, the choir will consist of 120 students from five schools in the EBC; Alliance, Marlington, Minerva, Canton South and Carrollton.

The choir began approximately 30 years ago as a way to bring school districts together in a noncompetitive atmosphere. Each school brings 20 of their top singers to participate in the all-day event. The students work together with a guest director, eat dinner together and work together in small groups.

This year's guest director is Duane Shields Davis. Davis, originally from Cleveland, is an Instructor of Vocal Jazz in the School of Music at Western Michigan University. He has taught in the Grand Rapids, Michigan area since 1969 where he recently retired as Director of Vocal Music at Grand Rapids Community College. He previously served on the WMU faculty as director of Gold Company and GC II.

The event culminates at 7 p.m. with a community concert. Tickets are \$5 per person at the door.

## Band Performance Features Guests

The Canton South High School Band was joined by the Canton South Alumni and Faircrest Eighth Grade Bands for a special homecoming performance of the past, present and future. The pre-game show featured the Canton South Alma Mater, Wildcat Victory, Canton South Fight Song and Across the Field. At halftime the combined bands performed Crazy Train, the Alumni Band played Takin' Care of Business and finished with Hang On Sloopy.

## Canton Local Theatre Season

Canton Local is presenting two crowd favorites this school year. Canton South High School will present **Joseph and the Amazing Technicolor Dreamcoat** in November 2019 and FMMS will present **Disney's Frozen, Jr** in March 2020. The show opens on Friday, Nov. 8th at 7pm, Saturday, Nov. 9th at 7pm and Sunday, Nov. 10th at 2pm in the Canton South Performing Arts Center. All tickets are reserved and \$10. For a full listing of show performances or to order tickets visit [www.cantonlocal.org](http://www.cantonlocal.org), or call the Canton Local Board of Education 330-484-8010.

With "a crash of drums, a flash of light," Canton South High School presents **Joseph and the Amazing Technicolor Dreamcoat**, the musical/dance extravaganza by Andrew Lloyd Webber and Tim Rice. Noted for its family-friendly storyline, universal themes and catchy music, Joseph is a retelling of the story of Joseph, his devoted father, his jealous brothers, and his incredible series of adventures. Filled with energy, Joseph is a combination of a wide variety of musical styles - everything from country to calypso to rock 'n' roll - in a series of memorable musical numbers. The district has over 110 students in grades 4th-12th participating in the production. Leading the cast will be senior Logan Bergert as Joseph and senior Toni Denmark as the Narrator.
