

# Cardinals on the Move

## Ground Rules Agreement

1. I understand that the purpose of the **Cardinals on the Move** is for all students to safely have fun away from school. I will not knowingly do something that is unsafe or compromises someone else's opportunity to have fun.
2. I appreciate that the adults are giving their own time to chaperone these trips. I will cooperate with them and I will follow their directions the first time that they are given.
3. I know that I need to be responsible for my own belongings. If I bring money, my phone, my camera, or other valuables on a trip; I will take good care of these things by myself.
4. I need to be aware of the time. I will make sure I have a way of telling time with me.
5. I appreciate that the staff is trusting me enough to let me bring my phone or other device
6. I know that the adults will often expect me to show up at a certain meeting location at a certain time. I realize that this is a serious responsibility. I will make sure that I am never late for one of these meeting times.
7. I know that students are safest when they are in groups and that my teachers and my parents expect me to be with other LFS students at all times on these trips. I will take this rule seriously and I will never go off by myself.
