

Current 7th and 8th grade students
Join us for a once-in-a-lifetime, free summer Minecraft Camp
at Ridgewood High School!

Ridgewood High School is proud to host a **free** Minecraft summer camp,
facilitated by the University of Illinois at Urbana-Champaign.

Learn how to develop innovative solutions to some of the greatest challenges facing scientists
today, simply by building automations (“mods”) using Minecraft.

The camp will run from August 8th - August 12th, 2022.
Each day will include a morning 3-hour session, and an afternoon 3-hour session.

Registration spots are **extremely** limited, as we expect this camp to fill up very fast.

To register, please complete the form at this link:
