

**Principal's Post**

Dear Parent/Carer,

This week the children have continued to be immersed in their learning themes. In Reception, the children been exploring and developing their vocabulary link to the oceans. In Year 1, the children have been working on their Pumpkin poetry and in Year 2 the children have been exploring different facts about British wildlife, whilst starting to work through their Key Stage 1 assessments.

This week, you will have received lots of key dates for academy events for your diaries. More information will be provided around these events as they near to help with your understanding and arrangements. We are very excited to be able to continue to offer more and more events this summer term to ensure that the community really comes together in and out of the academy day.

I wish you all a restful and peaceful weekend.

Take care and stay safe,  
 Mr T Jordan  
*Principal*
