III. Student Selection

- A. All applications will be reviewed for complete information upon receipt. Parents will be notified regarding any incomplete information on the application and asked to submit requested information.
- B. If the number of applicants exceeds the number of classroom spaces available, a manual selection lottery will be held. The **Registrar** will give **priority to siblings** of students enrolled in the Academy and to students who were enrolled in the Academy in the previous year. **Siblings are defined as sisters and brothers living full-time in the same household. However, enrollment is not guaranteed.**

2022-2023 Lottery Procedures

1. **In the event of oversubscribed grades, a manual lottery selection will be used to select students. All complete applications which include all required supporting documentation for grades that are not oversubscribed as of Friday, April 1, 2022 will be automatically enrolled.**
2. Siblings of currently enrolled DEPSA students are given first priority for enrollment provided **an application for admission has been completed with the required supporting documentation and received by the stated deadline, and there is space available in their grade level. However, admission is not guaranteed.**
3. **The Detroit Edison Public School Academy defines siblings as brothers and sisters living full time in the same household with a parent, grandparent, guardian or foster parent.**
4. The lottery will be conducted manually. The names of applicants will be placed in a drawing, and pulled randomly by an administrator or designee for acceptance or waiting list status.
5. Once all student seats are filled for any given grade, the remainder of the applicants will be placed on an official waiting list for that grade in the order in which the name is drawn in the lottery. **If the Academy receives a complete application with required attachments after the deadline, the applicant's name will be added to the end of the waiting list in the order in which the application is received.**
6. **Selection from the waiting list is completely based on space availability in the order received (based upon time and date).**
7. Applicants will receive a confirmation letter by mail of acceptance or waiting list status.
8. **Applicants will remain on the waiting list until the new application period. It is the parent's responsibility to notify the school of any address or phone numbers changes on the application.** If applicants are still on a waiting list as of February 9th of the following year in which they have applied, they must resubmit an application for the following year no later than the deadline. While DEPSA would like to give priority to those applicants who have had their name on the waiting list for the previous year, the laws governing public school academies prohibit DEPSA from doing so.
9. Any parent or guardian who wishes to contest or appeal any aspect of the lottery selection process, may do so by writing to the Board of Directors, Detroit Edison Public School Academy, 1903 Wilkins, Detroit, Michigan 48207 Attn: Board Director President Erma Thomas.
