

ART FREILER SCHOOL

2022-2023 6th- 8th Grade Electives

Dear Student and Parents,

During the end of the year and all throughout the summer, the staff at Art Freiler School will be placing you into your 6th, 7th and 8th grade classes for the 2022-2023 school year. Below you are being asked to select your elective class in order of importance to you. Please note: Interventions and English Language Development classes will be mandatory for some students based on assessments and teacher recommendation. In the event you do get placed in an elective course of your choice, we'd like to try to accommodate your preferences. Elective preferences are not guaranteed. However, we will make the best placement for you based on student need. **Please return this form by Wednesday, May 18th, 2022.**

Use a **#1** for the elective you would prefer to take as your top choice, **#2** for your second choice, and numbers after that until all the choices have a number in front of them.
